TDOT011023TRAFFICSIGNALS

Traffic Management

Doug Stephens (x1006) / Gary Stookey (x1306)

Revised

Authorizing the appropriation and expenditure of an amount not to exceed \$175,000 from the Capital Improvement Fund for the upgrade of traffic signals throughout the city; authorizing the mayor to accept bids and award contracts necessary to complete said project(s); and declaring an emergency.

SUMMARY & BACKGROUND:

This Ordinance authorizes the appropriation and expenditure of \$175,000 from the proposed 2023 Capital Improvement Plan (CIP) budget for traffic signal upgrades. The City of Toledo is required by federal mandate to meet minimum traffic signal requirements. These funds will allow the Division of Traffic Management to purchase materials to replace existing non-compliant signals and related equipment that have reached their useful life throughout the City.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the appropriation of an amount not to exceed \$175,000 is authorized from the Capital Improvement Fund, Account Code 5040-22500-8CP2314SIGNAL for upgrades of traffic signals and further authorizing the expenditure of same.

SECTION 2. That the Mayor is authorized to accept bids and award contracts for the purposes specified in Section 1. Contracts shall contain such terms and conditions as the mayor may deem requisite and proper and shall be subject to approval by the Directors of Law and Transportation.

SECTION 3. That the Director of Finance is authorized to draw their warrant or warrants against the above Account Code in payment of the above-authorized obligations in an amount not to exceed that authorized in Section 1 upon presentation of the proper voucher or vouchers.

SECTION 4. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety, and property, and for further reason that the Ordinance must be immediately effective in order to meet federally mandated standards for signal equipment and the long lead time on this equipment.

Vote on emergency clause: yeas 12, nays 0.

Passed: January 24, 2023 as an emergency measure: yeas 12, nays 0.

Attest:

Gerald E. Dendinger
