SUMMARY & BACKGROUND:

The Division of Road and Bridge Maintenance in cooperation with Toledo Metroparks has completed design of the multi-use path across the MLK Bridge project. Ordinance 577-23 authorized acceptance of \$1,483,659 from Metroparks and \$4,237,615 from ODOT for the project. Ordinance 94-24 authorized expenditure of matching funds through the Division of Road and Bridge Maintenance Matches and Planning fund. An additional \$1,622,107 has been awarded by ODOT through the Local Major Bridge Program. This ordinance authorizes the Mayor to accept these additional funds.

NOW THEREFORE Be it ordained by the Council of the City of Toledo:

That the Mayor is authorized to enter into an amended agreement with and to accept and deposit Local Major Bridge grant proceeds from ODOT into the Capital Improvement Fund Account Code 540G-23100-8GA8643STDSTD in an amount not to exceed \$1,622,107 for the construction of the multi-use path across the MLK Bridge Project upon such terms and conditions as approved by the Director of Transportation and the Director of Law.

SECTION 2. That the appropriation of \$1,622,107 is authorized from the unappropriated grant proceeds in the Capital Improvement Fund to the Account Code 540G-23100-8GA8643STDSTD; and the expenditure of same is authorized for the purpose in Section 1.

SECTION 3. That the Mayor is authorized to accept bids and award contracts for the construction of the multi-use path over MLK Bridge project. Contracts shall contain such terms and conditions as the Mayor may deem requisite and proper and shall be subject to approval by the Director of Transportation and the Director of Law.

SECTION 4. That the Finance Director is authorized to draw their warrant or warrants against the above Account Code in an amount not to exceed \$1,622,107 in payment of the obligations authorized above upon presentation of the proper voucher or vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to meet project deadlines for the construction of a multi-use path across the MLK Bridge Project.
