Authorizing the expenditure in an amount not to exceed \$135,000 annually from the General Fund for professional services provided by SAFEbuilt for the Division of Building Inspection, for a period of up to two (2) years; and declaring an emergency.

SUMMARY & BACKGROUND:

This ordinance authorizes expenditure not to exceed \$135,000 annually over the next two years for professional services related to activities in the Division of Building Inspection. The Division of Building Inspection, at various times, has a need for professional services; i.e. plans examiners, building officials and inspectors. The City of Toledo has an existing contract with SAFEbuilt that will cover providing said professional services over the next two years.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That, subject to available appropriation, the annual expenditure of an amount not to exceed \$135,000 is authorized from the General Fund, Account Code 1001-56300-5652001STDSTD, for professional services provided by SAFEbuilt for activities related to the Division of Building Inspection.

SECTION 2. That the Director of Finance is authorized to issue his warrant or warrants against the above Account Code in an amount not to exceed \$135,000 in payment of the above authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 3. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to timely address any vacancies in the Division of Building Inspection.
