SUMMARY & BACKGROUND:

This ordinance allows for the expenditure of \$661,545 for summer recreation programming and \$691,348 for mentorship, summer employment and program investment from the General Fund. At that time, subsequent legislation will be presented to authorize same.

SECTION 3. That the Mayor is authorized to enter into necessary program agreements with those individuals and entities identified in Exhibit A, upon terms and conditions acceptable to the Director of Public Service and the Director of Law.

That this Council finds and determines it is in the best interests of the City to waive the competitive procurement requirements of TMC Chapter 187 for the reason that the program service providers identified are recognized as established community partners who have the capacity to expand their programming in the short timeframe necessary for the success of the youth and young adult programs in summer 2021.

SECTION 5. That the Finance Director is authorized to draw warrant or warrants against the Account Codes above in payment of the above obligations authorized in amounts not to exceed those authorized above upon presentation of the proper voucher or vouchers.
