Councilwoman Dr. Adams - Amendment

Amending the Toledo Municipal Code by enacting a new Section 953.21, Youth Programs, requiring organizations providing Youth Programs and utilizing City Parks or Facilities or receiving funding from the City to meet minimum safety requirements; and declaring an emergency.

SUMMARY & BACKGROUND:

In the Fall of 2018, the Mayor's Recreation Task Force concluded its report on policy recommendations regarding the City's parks and recreation services. Included in this report was the recommendation that any person or organization working with youth as a coach or volunteer to meet minimum safety requirements, should that person or party be using City of Toledo parks or facilities. Toledo City Council recognizes the need to inspire changes in youth programming to make the experience safe, positive and fun for everyone involved. In order to realize the true value of youth programming and sports participation and to provide a safe, positive and fun environment for youth and their families to participate, we must raise the standards among the users of our City's facilities and those programs supported by funding from the City.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That a new Section 953.21 of the Toledo Municipal Code is enacted as follows:

Activities may include, but are not limited to, sporting activities, recreation groups, clubs or camps and trips or other activities whereby some control and responsibility for children is assigned to some person other than a parent or caregiver.
- (2) "Youth Sports Organization" means a public or nonpublic entity that organizes an athletic activity in which the athletes are under the age of 18.
- (3) "Unsupervised Access to a Child" means that the person in question has access to a person under 18 who is not their child or ward and that either of the following applies:
 - A. No other person eighteen years of age or older is present in the same room with the child.
 - B. If outdoors, no other person eighteen years of age or older is within a thirty-yard radius of the child or has visual contact with the child.

 - A. In the event the criminal records check reveals that an individual has either been convicted of or pleaded guilty to one of the offenses listed in division (A)(1) of section 109.572 of the Revised Code as that section may be amended from time to time, said person shall not be provided with Unsupervised Access to a Child during any activities of the Youth Program.
