### SUMMARY & BACKGROUND:

Ordinance numbers 571-00 and 991-00 approved a ten (10) year lease agreement for approximately 25,000 square feet of office space and 711 square feet of file storage area for the Division of Engineering Services at One Lake Erie Center from George F. Eyde, LLC. This space provides sufficient office and meeting space and secured fleet parking for the construction vehicles. This lease was extended for two five-year terms through Ordinances 239-11 and 142-16 expiring on March 31, 2021. Ordinance number 187-21 further extended the lease, expiring on December 31, 2021. New terms have been negotiated to continue the lease for an additional twelve months until newly acquired office space is available. The rate of the lease extension has been agreed upon at \$26,041.67 per month plus cost of employee, client, and visitor parking at an estimated rate of \$4,500 per month.
