Authorizing the expenditure of an amount up to \$70,000 from the Street Construction, Maintenance and Repair Fund for vehicle replacement for the Division Transportation; and declaring an emergency.

SUMMARY & BACKGROUND:

Ordinance 254-19 authorized the Mayor to enter into a contract with Enterprise Fleet Management for vehicle and equipment replacement for the city's fleet. The Division of Transportation will utilize this contract to lease pick-up trucks for the Division's street painting and traffic monitoring operations.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the expenditure of an amount up to \$70,000 is authorized from the Street Construction, Maintenance and Repair Fund Account Code 2014-22500-2413003STDSTD for the purpose of leasing pick-up trucks for the Division of Transportation.

SECTION 2. That the acquisition of replacement vehicles will be procured through the existing Enterprise Fleet Management contract authorized by Ordinance 254-19.

SECTION 3. That the Finance Director is authorized to draw warrant or warrants against the above Account Code in an amount not to exceed \$70,000 in payment of all above-authorized obligations upon presentation of proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety and property, and for further reason that the Ordinance must be immediately effective in order to allow the timely replacement of aging fleet.
