SUMMARY & BACKGROUND:

This ordinance authorizes the mayor to accept, deposit, appropriate, and expend up to \$3,164,554 in grant and loan funds from the Ohio Public Works Commission (OPWC). It further authorizes the mayor to enter into agreements for the referenced grants and loans and to conduct the appropriate budget adjustments and transfers of expenses associated with said grants and loans. It further dedicates a source of funds for the repayment of the loans.

Resolution #499-21 authorized applying for this assistance and entering into agreements with OPWC for this purpose. Sections 1 and 3 of this ordinance detail each project's grant and/or loan amount and account code.

Each of these projects requires match money which is either in place or will be in place through other City or outside funding sources.
