Authorizing the expenditure of \$75,000 from the Capital Improvement Fund District Improvement Program for replacement of the playground at Dale Stone Park; authorizing the Mayor to execute the necessary contracts; and declaring an emergency.

SUMMARY & BACKGROUND:

A District Improvement Program application for \$75,000 has been approved by the District Improvement Program coordinating committee to provide funding for the replacement of the playground at Dale Stone Park in City Council District #3. This project will replace an existing playground that has reached the end of its useful life. The requested funding will be combined with a Community Development Block Grant to cover full cost of the project.

NOW THEREFORE Be it ordained by the Council of the City of Toledo:

SECTION 1. That a sum of \$75,000 is authorized for expenditure from Account Code 5040-10100-8CP2318DNGPRO from the District Improvement Program for the replacement of the playground at Dale Stone Park.

SECTION 2. That the Mayor is authorized to execute the necessary contracts from the District Improvement Program for the stated purposes, upon such terms and conditions as shall be approved by the Director of the Department of Economic Development, the Director of Parks & Youth Services, and the Director of Law.

SECTION 3. That the Director of Finance is authorized to draw warrant or warrants against the above account code in payment of the above authorized obligations in an amount not to exceed that authorized in Section 1 upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance, being an emergency measure, shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that the Ordinance is necessary for the immediate preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be immediately effective in order to begin the public feedback portion of the playground design process.
