#### SUMMARY & BACKGROUND:

The City of Toledo, Division of Streets, Bridges and Harbor performs street construction, maintenance, and repair services annually; including the filling of potholes, mill and fill program, and surface treatment programs. Domino's Pizza has expressed an interest in assisting various communities with their street maintenance programs, and has approached the City of Toledo with their "Paving for Pizza" concept. Domino's Pizza has offered the City of Toledo \$10,000 toward their street maintenance program to aid in repairing City of Toledo roads.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is authorized to enter into an agreement with Crispin Porter & Bogusky LLC to accept and deposit an amount not to exceed \$10,000 for the "Paving for Pizza" Program into the Street Construction Maintenance and Repair Fund, Account Code 2014-23100-2411001STDSTD, pursuant to terms and conditions acceptable to the Director of Public Service and the Director of Law.

SECTION 2. That an amount not to exceed \$10,000 is appropriated from the unappropriated balance of the Street Construction Maintenance and Repair Fund to Account Code 2014-23100-2411001STDSTD; and that said amount is authorized for expenditure for the purposes set forth herein.

SECTION 3. That the Finance Director is authorized to draw warrant or warrants against the Account Code listed above in amounts not to exceed those identified in payment of the obligations hereinabove authorized upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall take effect and be in force immediately from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be effective to facilitate the completion of the "Paving for Pizza" Program in the City of Toledo.
