DPS Emergency Repair of SB&H Fire Line, \$12,863.20
Facility Operations
Rick M. Akeman (X 2550)/Paul M. Rasmusson (X 7868)
Revised

Authorizing an expenditure not to exceed \$12,863.20 for emergency repairs of the fire line at the Streets, Bridges & Harbor (SB&H) building (Central); authorizing the Mayor to enter into the necessary contract for said emergency repairs; waiving the competitive procurement requirements of Chapter 187 of the Toledo Municipal Code and making certain findings with respect thereto; and declaring an emergency.

SUMMARY & BACKGROUND:

This Ordinance authorizes expending \$12,863.20 from Facility Operations' approved operating budget for contractual services for the emergency repair to the fire line to the SB&H building located at 1189 W. Central Ave.

The fire line servicing the Streets, Bridges & Harbor Division, located at 1189 W. Central, is in need of emergency repairs in an effort to maintain the operations. The current underground fire line has ruptured and provides fire protection for the entire building including the vehicle storage area. The cost for repairs to the existing fire line is \$12,863.20.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the sum of \$12,863.20 is authorized for expenditure from the Facility Operations Fund, Account Code 7093-26100-1147001STDSTD for emergency repairs to the fire prevention system servicing the Streets, Bridges & Harbor Division, located at 1189 W. Central.

SECTION 2. That the Mayor is authorized to enter into the necessary contract with Shambaugh & Son, L.P. Fire Protection & Services for the emergency repair of the fire prevention system in a total amount not to exceed \$12,863.20.

SECTION 3. That City Council finds that it is in the best interest of the city that the competitive procurement requirements of Chapter 187 of the Toledo Municipal Code are waived for the reason that emergency repairs are needed to keep the building operational and for the further reason that repair cost has been deemed reasonable by the Director of Public Service.

SECTION 4. That the Director of Finance is authorized to draw warrant or warrants against Account Code 7093-26100-1147001STDSTD in payment of the above obligations upon presentation of the proper voucher or vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this Ordinance must be immediately effective in order to complete emergency repairs and to maintain uninterrupted safety force operations.
