2019 CIP Reappropriation  
Department of Finance  
Thomas Skrobola (x1648), Melanie Campbell (x1252)  
(Revised)

**Authorizing the disappropriation of \$435,405 from the Capital Improvement Fund; authorizing the appropriation of \$3,543,000 from the Capital Improvement Fund and the expenditure of same for additional capital improvement projects; authorizing the Mayor to award contracts for said improvement projects; and declaring an emergency.**

### SUMMARY & BACKGROUND:

The 2019 Capital Improvement Plan budget as approved by Ordinance 42-19 included a transfer from CIP to the general fund of \$7,787,000. Ordinance 56-19 reduced this transfer by \$4,250,000, which resulted in additional CIP funds available in 2019 for capital projects. Of this amount, \$1,250,000 has been appropriated for additional sidewalk improvements (ordinance 97-19). This ordinance authorizes the appropriation and expenditure of remaining and project closeout funds for additional capital improvement projects.
