DPU - 616 BALDWIN
Division of Sewer & Drainage Services
Calvin Harris (x2170)
(Revised)

Authorizing the expenditure of an amount not to exceed \$22,000 from the Sewer Operating Fund for the emergency repair of the sanitary sewer at 616 Baldwin; authorizing the mayor to enter into a contract for said purpose; and declaring an emergency.

SUMMARY & BACKGROUND:

The sanitary sewer line No. 1012 located near 616 Baldwin has multiple breaks that need to be repaired. These breaks in the sanitary sewer line are causing backups for the citizens. However, due to the location of buildings and the number of repairs that would be required via normal excavation methods, it was decided that lining the sewer would be the most expedient and cost-effective way to repair the sewer. Innovaliner Inc. was the only contractor who responded to our request for informal bids to perform the lining of the sewer. Sufficient funds are available within the Sewer Operating Fund to pay for this emergency sewer replacement.
