Revised

Authorizing the expenditure of \$6,000,000 from the Capital Improvement Fund for the Roadway Development Program; authorizing the mayor to prepare plans and specifications, acquire required rights-of-way as appropriate, and enter into contracts for these projects within the Division of Engineering and Construction Management; and declaring an emergency.

SUMMARY & BACKGROUND:

The Division of Engineering and Construction Management is requesting the expenditure of \$6,000,000 from the Capital Improvement Fund for the Roadway Development program. This money will be used to improve roads that are part of the Department of Economic Development's efforts to attract businesses to Toledo.

The expenditure of these critical funds now will allow for timely bidding and construction to ensure all projects are completed this year in a balanced, efficient fashion. It also allows for the processing of agreements needed to accept the outside grant and loan dollars before funding agency deadlines.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$6,000,000 is authorized for expenditure from the Capital Improvement Fund Account Code 5040-35000-8CB2317STRDEV for development roadway projects.

SECTION 2. That the Mayor is authorized to prepare plans and specifications, as well as authorized to accept bids and enter into contracts necessary to complete the improvements identified above including such items as labor, materials, construction testing, professional services, and for property appraisals, title work, negotiations, acquisition, and environmental contamination studies that are necessary to acquire additional rights-of-way as required. Contracts shall contain such terms and conditions as the mayor may deem requisite and proper and shall be subject to approval by the Directors of Law and Transportation.

SECTION 3. That the Finance Director is authorized to issue their warrant or warrants against the account code identified in Section 1 in an amount not to exceed \$6,000,000 in payment of the obligations incurred pursuant to the contract authorized in Section 2 above upon presentation of proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to facilitate this work beginning early this year to meet completion deadlines.
