Brandon,

Thank you for the consideration and opportunity to serve the Toledo Community Improvement Corporation. I believe hold heartedly in the mission and vision of the organization and the impact it will have in our community.

Unfortunately, due to conflict of interest concerns related to my role as a the Managing Director/Owner of SVN Ascension Commercial Realty, I am unable to accept the appointment at this time. I do however remain interested in a role down the role, should the conflict on interest issues be mitigated.

Thank you and wish you and the Board the best!

Tim
