# Proposed Capital Expenditures

## **Fire Vehicles – \$1,000,000**

Funding for Fire vehicles will be used for the purchase and outfitting of various vehicles and apparatus for the Department of Fire and Rescue due to either governing national safety standards rendering the units end of life, vehicle state, or as needed. Priorities for 2026 include the purchase of ambulances and engines with related equipment.

## **Fire Building Improvements - \$250,000**

Continued improvements to the city's various Fire and Rescue buildings including improvements to roofs, windows, boilers, HVACs, and apparatus approaches.

## **Fire Equipment – \$250,000**

Funding for Fire equipment will be used for the purchase of various pieces of equipment for the Department of Fire and Rescue on an as needed basis. Types of equipment include equipment for vehicles and various pieces of personal protective equipment and supplies.

# Thank you.
