Subject: Application for the Board of Control

Dear Mr. Cochenour,

I'm writing to request consideration for appointment to the Board of Control, to fill the seat currently held by my mother. As she transitions off the Board, I'm interested in continuing that service and supporting the City's work to maintain strong contractor standards, consistent enforcement, and consumer protection.

I'm a co-owner and Controller of Holt Roofing, where I oversee subcontractor compliance, vendor contracts, and company financials. I also provide project management oversight to help ensure our work meets appropriate workmanship expectations and job requirements. In addition, I hold an active contractor license and am one of two license holders for the company—my mother being the other.

I would be honored to contribute a practical, standards-focused perspective to the Board and support fair, consistent decision-making that benefits both the industry and the public. I've attached my resume for your review and for consideration by the Mayor's Office.

Thank you for your time, and I'd welcome the opportunity to discuss my interest further.

Sincerely,
Linzey Link
