Supervisory, Technical and Professional

Employees' Union Local 2058 - Communications Operator Supervisors

(Ord. 51-13)

PREAMBLE

The City of Toledo has entered into this Agreement with the Supervisory, Technical and Professional Employees Local No. 2058 Communications Operator Supervisors and Ohio Council 8 of the American Federation of State, County and Municipal Employees which has as its purpose the promotion of harmonious relations between the City and the Employees in the classifications included herein; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

The provisions of this Agreement have been negotiated in ordinance form and will be enacted into Ordinance by the Council of the City as certain section of Title I of Chapter 2106 of the Toledo Municipal Code.

2106.01 Recognition

A) The City agrees to recognize the Supervisory, Technical and Professional Employees' Union Local 2058 Communications Operator Supervisors as certified by the State Employment Relations Board on July 31, 2008 in Case

Number 08-REP-06-0099, and Ohio Council 8 AFSCME (AFL-CIO) as the sole and exclusive bargaining agent for the employees of the City working permanently or provisionally in the classifications that are listed in Section 2106.02 in all matters regarding wages, hours of work, and all other conditions of employment.

B) The City will inform the Union of the creation, reclassification, reorganization, or addition of classifications or positions which may appropriately be added to the bargaining unit. The City will also inform the Union of the proposed removal from the certified bargaining unit of classifications or positions which are reclassified and of class titles which are unused. The parties shall discuss and seek agreement over any such changes in the bargaining unit as referred to above. The City will inform the Union of positions which are reclassified and of class titles which may not be utilized.

If mutual agreement is reached, the parties shall make a joint submission to the State Employment Relations Board to amend the certification of the bargaining unit as agreed. If the City and Local 2058 cannot reach a mutual agreement relative to Local 2058's representation of these classifications or positions within thirty (30) calendar days, then the matter shall be referred to the Step 2 level of the grievance procedure established herein. If the parties cannot reach agreement then no later than ninety (90) days after the position has been placed in the unit determined by the employer, the parties shall jointly submit the dispute to SERB for resolution. This would not preclude the parties from reaching agreement while the matter is pending before SERB.

If the Employer places any such position/classification in the exempt service or safety forces and SERB places it in Local #2058, the City will pay one-half (½) of back dues, or one-half (½) of Fair Share fees and the employee will pay the other one-half (½) of the back union dues, or one-half (½) of the Fair Share fee, if applicable. The employee payments hereto shall be applied over two (2) pay periods except where the back payment is for (6) six or more months, in which case four (4) pay periods shall apply. The employer payments will be paid to Local #2058 within thirty (30) days of the determination by the parties or by SERB.

E) Administrative Policy #20, promulgated out of the Mayor's Office, as revised, will define the policy and procedure to govern not only the review and appeal of classification and evaluation of positions, but also the maintenance of the classification and compensation plan.

The compensation evaluation review committee established pursuant to AP #20 to determine pay grade assignments appropriate to positions and classifications, shall include two (2) Local 2058 representatives (one (1) regular and two (2) alternates) when Local 2058 positions are at issue. Local 2058 shall designate these representatives. The alternate shall serve in the absence of the regular or where a position being reviewed is in the regular representative's division. Any agreement entered into between the City and employees covered herein shall be through duly authorized representatives of the Union. Any other agreements shall be of no effect.

2106.05 Part Time Employment

When it is determined that a new permanent part time position is required within a division, the City and the Union will meet and review this matter. In the event a dispute exists over the number of hours sought or duties not consistent with the assigned classification, the parties will move the matter to Labor/Management Meetings, Section 2106.35, for resolution. If the matter is not resolved at the labor-management meeting, either party may move the matter to expedited arbitration, Section 2106.18.

1) Notice of moving the matter to expedited arbitration must be mailed to the opposing party not more than twenty (20) workdays following the labor-management meeting.

2) If a dispute exists, the part time position will not be filled until resolved through the expedited arbitration process.

A) A part time position is defined as not normally exceeding thirty (30) straight time hours per week, or a set number of hours less than thirty (30).

B) The city seniority, Section 2106.29, and classification seniority, Section 2106.30, shall accrue to the permanent part time employee based upon the total actual hours of continuous pro-rated service with the city.

1) Pro-rated continuous service is determined by crediting one (1) month for each one hundred sixty (160) actual hours worked by the permanent part time employee, then applied from the respective original date of employment for city seniority or the date the employee went into a given classification for classification seniority.

C) Permanent part time employees will be eligible for transfer/voluntary demotion, promotion, layoff and/or recall rights pursuant to the terms of this agreement, based on their accrued seniority and as otherwise set forth in this agreement.

D) A permanent part time employee is not entitled to the overtime guarantees set forth in this agreement until the permanent part time employee has completed forty (40) straight time hours.

E) The following benefits shall be made available to all permanent part time employees on a pro-rated basis:

G) Permanent part time employees may reimburse the city for health care benefits, Section 2106.85, on a pro-rated share of the cost through direct payroll deduction.

1) The pro-rated costs assessed to the permanent part time employee is determined by dividing the established number of straight time hours for the respective part time position by 40 (e.g. 30/40 = 75%, resulting in a 25% reimbursement, 15/40 = 37.5%, requiring a 62.5% reimbursement, etc.).

2) Any and all pro-rating within this section will utilize the calculation set forth in (g)(1) above, unless specified otherwise.

2106.06 Listing of Employees

The City agrees to furnish the Union, an up to date list at no cost, on a quarterly basis, a list of all employees in the classifications included in the bargaining unit indicating the starting date of employment in the unit to which the employee was assigned.

The City agrees that payroll deductions shall be made in accordance with the dues authorization card submitted by the Union and the City shall comply with the provisions of said authorization card for all employees who have signed the card. A) The City will deduct any arrears in unpaid Union dues, initiation fees and equal assessments owed to the Union, if, and only if, the City has made an error in failing to deduct such dues, fees or equal assessments during a former payroll period. The City will also deduct current Union dues, initiation fees and equal assessments from the paychecks of employees working in classifications included in the recognition clause herein. Such deductions shall be made from all paychecks of the month for which current dues (payable in advance) and any initiation fees or service charges are due the Union. In order to elect direct deposit, the employee must give written authorization to the City for direct deposit to any authorized credit union or bank eligible to receive automated clearing house (ACH) direct deposit and follow the procedures for direct deposit as provided by the City.

The parties agree that there shall not be any abuses, or interferences, against the other party, regarding this Section 2106.15, Investigating Grievances and any cited abuses shall be documented to the Union.

2106.16 Rights to Visit

2106.17 No Strike; No Lockout; Safe Conduct

A) The services performed by the employees included in this Agreement are essential to the public health, safety and welfare. The Union and the City, therefore, agree there shall be no interruption of the work for any cause whatsoever, nor shall there be any work slowdown or other interferences with the delivery of services to the public.

B) The bargaining agent representative has no authorization to take strike action or any other action interrupting the City's operations, and the City will not engage in a lockout of the employees so long as this Agreement remains in effect.

C) Communications Supervisors may be required to go through picket lines where an emergency requires them to do so to protect the public health, safety and welfare. In those circumstances the Union and the City agree that said employees shall not be considered strikebreakers and the Union and the City shall make every reasonable effort to properly protect them from any possible bodily harm.

2106.18 Definition and Grievance Procedure

A grievance is a dispute between the parties over and including the application, meaning or interpretation of this Contract.

It is the mutual desire of the City and the Union/Bargaining Agent to provide for the adjustment of grievances in a fair and reasonable manner, with a minimum amount of interruption of the work schedule. Whereas grievance and payments shall be made the first pay period following the settlement, unless otherwise negotiated as part of the settlement the award should specify the amount to be paid to the individual(s). An award may be made in compensatory time at the employee's discretion, if so specified in the grievance. Every reasonable effort shall be made by both the City and the Union/Bargaining Agent to effect the resolution of grievances at the earliest step possible. In furtherance of this objective, this procedure shall be followed:

FIRST STEP:

A) It shall be the duty of both sides to strive to settle all grievances in the first step. When an employee has a grievance, the employee along with the Employee Representative shall verbally attempt to resolve the problem. The grievance must be brought to the attention of the employee's immediate supervisor within seven (7) work days in the Communications Unit of

the employee having gained knowledge that a grievance exists. Such knowledge will be presumed to exist at the time of the alleged contract violation, unless the employee with reasonable diligence could not have discovered the alleged infraction. The Employee Representative and the employee shall meet and discuss the grievance verbally with the employee's immediate supervisor, and shall try to verbally resolve the grievance satisfactorily to both sides. If the grievance can be resolved at this point, then the supervisor and the Employee Representative shall reduce the grievance and the answer to writing and the Employee Representative, the employee, and the supervisor shall sign the grievance report.

B) In the event that the grievance is not settled then the Employee Representative shall reduce the grievance to writing within seven (7) work days in the Communications Unit and present it to the Division Head, Executive Director, or Agency Head. The Division Head, Executive Director, or Agency Head, or the designee thereof, may at her/his option conduct a hearing on the grievance. If so, the hearing will be scheduled within seven (7) work days in the Communications Unit with a written decision by the Division Head, Executive Director, or Agency Head, or the designee thereof required in seven (7) work days in the Communications Unit following the day of the hearing. If no hearing is set, a written decision shall be issued within seven (7) work days in the Communications Unit of the submission at the First Step.

If the written response of the Division Head, Executive Director, or Agency Head, or the designee thereof does not settle the grievance, then the grievance containing the response of the Division Head, Executive Director, Agency Head, or the designee thereof, shall be delivered to the Union/Bargaining Agent for further handling.

Grievances originally filed at the Division Head, Executive Director, or Agency Head level, or at the Step 2 level must also be filed within ten (10) work days as set forth above.

SECOND STEP:

C) If the grievance is appealed to the Second Step, then it must be delivered to the Department of Human Resources within ten (10) work days after the written answer was presented to the Union/Bargaining Agent in this step of the Procedure. If the Department of Human Resources desires to conduct a pre-hearing settlement conference with the Union before the Second Step hearing is held, same shall be scheduled at a mutually agreeable time in advance of the scheduled hearing date.

The Union/Bargaining Agent and the Employer and/or persons designated by them shall hold a meeting at a mutually agreeable time within twenty (20) work days after the grievance has been referred to them for the purpose of attempting to resolve the matter. Within seven (7) work days in the Communications Unit after such meeting is held, the City shall advise the Union/ Bargaining Agent as to the decision of the Employer on the matter. In the event that the grievance is still not satisfactorily settled, then the Union/Bargaining Agent shall have the right to appeal the grievance to the next step.

THIRD STEP - MEDIATION:

D) With mutual agreement, mediation may be utilized by the parties when Step Two of the grievance process does not produce a mutually acceptable resolution. Either party may request to mediate by providing a written request to the other party within fifteen (15) work days of the Step Two answer. If the City and the Union mutually agree to mediate, the time lines for filing a request for arbitration will be suspended subject to the mediation procedure. A party refusing mediation must give written notice of refusal to the other party within ten (10) work days of the receipt of the request to mediate. If mediation is refused, applicable time limits for appealing a grievance to arbitration shall commence on the day the refusal notice is received.

The parties agree to use the services of a mutually agreed upon mediation service such as the Federal Mediation Conciliation Service (FMCS). Notices of mediation requests are to be signed by both parties and forwarded to the mediator by the moving party. Should the availability of a mediator unnecessarily delay the processing of a grievance, in the opinion of either party, then either party may withdraw its consent to mediation by notifying the other party in writing. The grievance may then proceed to arbitration.

The Union may be represented at the mediation by the President, Chief Steward or a steward designated by the President, the grievant and a representative of AFSCME Ohio Council 8. The city may be represented by an equal number of representatives. Each party shall have one principal spokesperson at the mediation conference, who shall have the authority to resolve the grievance.

Any material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference with the stipulation that the mediator may receive a copy solely for the purpose of statistical analysis.

Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at the grievance proceedings, the rules of evidence will not apply and no record of the mediation conference shall be made.

The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of the grievance.

If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory opinion unless both parties agree that no opinion shall be provided. The mediator shall state the grounds for their advisory opinion. The advisory opinion of the mediator, if accepted by the parties, shall not constitute precedent, unless the parties otherwise agree. If either party requests, the settlement will be reduced to writing and signed by the parties.

If no settlement is reached at mediation, the parties are free to arbitrate. If the parties do not accept the advisory opinion, the union may appeal the grievance to arbitration. All applicable time limits for appealing a grievance to arbitration in this

collective bargaining agreement shall commence on the day the advisory opinion is issued.

In the event that a grievance that has been mediated subsequently goes to arbitration, no person serving as a mediator may serve as the arbitrator. Nothing said or done by the mediator may be referred to at the arbitration.

The parties agree that the mediator may conduct more than one (1) mediation conference in a day.

Any fees or expenses associated with the mediation conference shall be shared equally by the parties.

FOURTH STEP - ARBITRATION:

E) If it is the decision of the Union/Bargaining Agent to submit the grievance to arbitration, then the Union/Bargaining Agent shall so notify the City in writing within ten (10) workdays after the answer to a previous step has been received.

1) EXPEDITED ARBITRATION: The City and the Union/Bargaining Agent agree to maintain a list of seven (7) arbitrators who shall serve on a rotating basis to hear the cases which the parties mutually agree to submit to expedited arbitration during the term of this Agreement. All arbitrators on this panel shall be mutually selected from a listing requested from the Federal Mediation and Conciliation Service. The arbitrator shall schedule a hearing date within thirty (30) calendar days of the submission to arbitration and shall render a decision within thirty (30) calendar days of the conclusion of the hearing.

2) FULL ARBITRATION: The City and the Union/ Bargaining Agent also agree to maintain a list of seven (7) arbitrators who shall serve on a rotating basis to hear the cases which the parties mutually agree to submit to full arbitration during the term of this agreement. Cases submitted to full arbitration shall be heard by an arbitrator selected from a panel of arbitrators requested from the Federal Mediation and Conciliation Service. If a panel is requested, the arbitrator shall be selected by alternate striking of names.

3) GENERAL PROVISIONS:

a) The parties shall meet in advance of all scheduled arbitrations to exchange witness lists, documents, and other relevant information, and then to determine the possibilities of settlement.

b) Arbitrators selected by the parties shall not amend or delete the provisions of this agreement.

c) The fees and expenses of the arbitrator shall be shared equally. Costs for a court reporter and transcripts shall be shared equally if the arbitrator receives a copy of the transcript. All other expenses for witnesses or otherwise shall be borne by the party incurring the costs. However, any City employee called as a witness by either side will continue to receive their regular rate of pay while attending such hearing, not to exceed the normal eight (8) hours they would have worked.

d) Only Local 2058 may decide to appeal a dispute to arbitration.

F) The Union shall develop a system of logging, numbering, and transferring grievances.

For the purpose of this section, the term 'days' is defined as Monday through Friday, excluding holidays.

2106.19 Default

In the event that the City fails to answer a grievance within the time required at any step of the grievance procedure or if the bargaining agent fails to appeal the answer given to the next step of the grievance procedure within the time allowed, then the grievance will be considered settled against the side which has defaulted and the appropriate remedy implemented. Grievances settled by default cannot be the basis of establishing precedent for the settlement of any other grievance unless mutually negotiated otherwise. Time limits may be extended by mutual agreement.

2106.20 Counseling

When it becomes necessary to counsel an employee, it shall be done in private and in a manner which will not cause embarrassment. It is the intent of the city that counseling be used as a productive matter rather than a punitive measure.

Please note that counseling is still an important and necessary tool under the Local 2058 agreement. Counseling is intended to be corrective rather than punitive and should be used to call attention to proper procedures and expectations.

Copies of counseling shall be maintained in the files at the Division and the Department of Human Resources, and no additional copies of Counseling will be distributed.

If an employee requests to have a steward present during a counseling, every effort will be made to accommodate the request.

2106.21 Written Reprimand

The Division or Department Head may at their discretion issue a written reprimand to an employee. Written reprimands may be given when an employee has not responded to counseling or when the employee's actions are such that counseling is considered inappropriate. A written reprimand is a warning that additional unacceptable behavior may result in more severe disciplinary action under Section 2106.23, Procedure but is not a prerequisite to action under Section 2106.23 Procedure. The following procedure must be followed when issuing a written reprimand:

A) The employee will be notified in writing of the pending charges and the date, time and location of the meeting to discuss the infraction. It should be done in a private manner which would not cause embarrassment to the employee.

B) The Local 2058 President, Vice President, or Chief Steward as designated by the Union President shall be notified of the meeting at which the written reprimand is to be discussed and served. Preferably the meeting should occur within five (5) workdays after knowledge of the infraction is gained; but in no case more than ten (10) workdays thereafter.

C) The Union President, Vice President, or Chief Steward as designated by the Union President is to be present along with the employee, the division head and any other necessary management personnel. The employee may not waive the presence of the Union President, Vice President, or Chief Steward as designated by the Union President.

D) Written reprimands may be appealed to Step Two of the grievance procedure. A meeting to review the matter is to be held within ten (10) workdays, with a decision due within five (5) days thereafter. No further appeal is permitted.

E) The reprimand shall be removed after twelve (12) months. If another reprimand is issued to that employee within one (1) year thereafter, that reprimand and any reprimands thereafter shall remain on record for sixteen (16) months.

2106.22 Suspension Without Hearing

No employee shall be suspended from the service of the City without first having been afforded a hearing by a representative from the Employer.

An employee may be suspended pending a hearing only where the charges are theft, embezzlement of public funds, being under the influence of alcoholic beverages or abusive drugs during working hours, the use of alcoholic beverages or abusive drugs during working hours, physical violence, offenses involving gross misconduct, or gross insubordination.

However, where an employee is suspended under this provision, the President of the Union, Vice President, or Chief Steward as designated by the Union President must immediately be notified and a reasonable effort shall be made to have a Union Representative present for the suspension. A hearing before the Employer's designee shall be held prior to the end of the third regularly scheduled work day at a time mutually agreed upon.

Where the parties agree, the sole purpose of the hearing will be to establish whether sufficient cause exists to continue the suspension until a full hearing as provided in Section 2106.23, "Procedure" is held and a determination there under rendered. If the designated hearing officer continues the suspension, a full hearing shall be held within ten (10) workdays following the return to work hearing, unless the parties have mutually agreed to extend the required time frames for this hearing.

2106.23 Procedure

A) When an employee is to be disciplined the Division Head or Department Head shall have the charges against the employee reduced to writing, the original copy to be served on the employee and a copy provided to the Union President or his designee. The Union President shall make every effort to be available for the serving of the charges. If the Union President is absent from work, the copy will be provided to the Vice President, Chief Steward, or the Recording Secretary. The City shall serve a copy of the charges to the Union President or a designee at the address, fax, or e-mail address designated by the Bargaining Agent and this shall constitute service.

The 911 Communications Bureau shall notify the Local 2058 Union President or Chief Steward when a non-criminal investigation begins of a possible infraction. In no case shall the notification be more than five (5) work days after the Bureau's knowledge. This notification cannot be brought up at the disciplinary hearing as an issue of failing to follow procedure.

Charges must be brought within fifteen (15) workdays of the Bureau notifying the Union that an investigation has begun. If the Bureau needs more time to investigate, they can request an extension in writing from the Union. If an employee's work related activities are being challenged through litigation, any disciplinary action that could be considered by the City may be deferred pending the conclusion of the litigation.

B) The hearing should be held on a date and time mutually agreed upon, no more than ten (10) work days for 911 Communications Division after the charges have been served upon the employee. In the event the hearing cannot be held because of the absence of the employee, Union Representative, or Division or Department Head, then it should be held within five (5) work days for 911 Communications Division after the return of the absent party. The City's designee shall serve as the hearing officer.

C) The employee shall have the right to be represented at such hearing by the bargaining agent. The employee representative shall have the right to attend any such hearing held where an employee included in the jurisdiction of the bargaining representative is involved. The parties will attempt on each individual case to sit down one or two hours prior to any appearance of the hearing officer, in an attempt to work out any agreements which would be acceptable to the parties, on any such discipline.

D) The City's designated hearing officer shall use a "preponderance of the evidence standard" in evaluating the evidence in support and in defense of the charges. The employee shall be presumed innocent and the burden shall be upon the City to show guilt. The employee shall further have the right to confront and question the accuser, the right to call witnesses and to examine them in the employee's behalf, the right to have all records of the employee pertinent to the charges at hand, as determined by the hearing officer, made available and the right to file a written answer to the charges.

E) If the recommendation of the City's designated hearing officer is for dismissal, suspension or demotion, then at the request of the Union or employee, the Mayor or a designee thereof shall then hear oral arguments from the parties relative to the matter and render a fair and just decision. The parties may agree upon alternative penalties to suspension or

demotion.

F) Any action taken against the employee shall be subject to the procedures of the Civil Service Commission, or Step 4 of the grievance procedure provided herein. Only the Union may appeal to Step 4 Arbitration of the Grievance Procedure.

If an employee files an appeal to the Civil Service Commission and a hearing is set, then the Step 4 Arbitration Appeal of the Disciplinary Action shall be considered settled and dismissed, the employee having elected to appeal through the Civil Service Commission under the Civil Service Rules, as provided by the Charter of the City.

2106.24 Failure to Follow Procedure

In the event the proper procedure is not followed as set forth herein, then charges against the employee will be dropped.

2106.25 Clearing of Records

Counseling and written reprimands shall become inactive after one (1) year from the date of the infraction provided that no minor infractions occur in the interim.

Once a counseling or written reprimand becomes inactive, said files shall be placed in a non-active status and shall not be used for the purpose of promotion, transfers or future disciplines.

Disciplinary actions other than counseling and written reprimands shall remain in the employee's file, but after a period of two (2) years may not be considered for the purpose of promotion, transfers or future disciplines.

Copies of counseling shall be maintained in the files at the Division and the Department of Human Resources, and no additional copies of Counseling will be distributed.

2106.26 Partners in Excellence

The City and the Union will meet to establish, within thirty (30) days of signing this agreement, a joint labor-management committee to study the feasibility of implementing a Total Quality Management-type or other similar system for the City's Local 2058 staffed operations.

The Union shall be represented by the President of Local 2058 and three (3) additional representatives. Should this committee decide that a T.Q.M.-type system is feasible, a steering committee consisting of the designated representatives and Quality Circle Facilitators shall meet at least monthly to implement and oversee the process.

This steering committee shall assume the functions of developing a mutually agreed upon plan. The plan is to recognize performance, determine training needs and improve the delivery and quality of services to the public.

2106.27 Employee Assistance Program

The parties agree that alcohol and other such drug dependencies are both a sickness and a social ill. The parties desire to work together to help correct the problems this may cause our employees and the City. The parties also agree on the importance of a positive and safe work environment. To assist toward that end, it is beneficial to provide a process for employees to address work or personal issues that may impact the work environment.

Therefore, the City will continue to provide an employee assistance program. Participation by employees may be on a voluntary basis, from a recommendation from supervision or required through the disciplinary process. The parties will identify in a cooperative fashion proposals and persons in need of the Employee Assistance Program both inside and outside the discipline process.

A) When an employee is required to participate through the Employee Assistance Program as a result of the discipline process, the employee shall attend that program under threat of further discipline.

Reports will be confidentially supplied to the employee's supervisor and other appropriate individuals as authorized by Human Resources so as to assure the treatment is completed.

B) When an employee is to be notified of a recommendation or requirement to participate in the Employee Assistance Program the Local 2058 President or their designee shall be directly notified prior to or concurrent with the notification to the employee.

2106.28 Probationary Period; Fringe Benefits and Evaluations

A) Newly hired employees shall have no seniority during their probationary period, but upon completion of the probationary period their seniority date shall be the date of hire. Newly hired employees hired in supervisory, technical, and professional classifications shall be probationary employees for a period of one thousand two hundred (1200) actual work hours. A newly hired probationary employee shall not receive any fringe benefits during the first one hundred sixty (160) actual work hours of the probationary period.

B) Employees promoted to or within positions in the Local 2058 Bargaining Unit shall be probationary for a period of three hundred sixty (360) actual work hours. They shall be eligible for fringe benefits throughout their probationary period.

C) Employees who transfer or take voluntary demotions shall be probationary for a period of three hundred sixty (360) actual work hours.

D) The seniority date of a City employee shall be the date of the employee's appointment as a permanent or provisional employee.

E) During the probationary period, a written weekly evaluation will take place and be discussed with the employee. A standard form is to be designed by the City and the Union and used by all City employees.

2106.29 City Seniority

City seniority shall accrue to regular full-time employees of the City and shall be based upon the total length of continuous service with the City, and shall be used for the purpose of determining layoff and recall rights.

2106.30 Classification Seniority

Classification seniority shall mean a permanent Local 2058 employee with seniority in a classification based on length of permanent continuous service within a classification or like classification within the same pay group, within a Unit, Division or Agency. Such seniority shall be used for preference of vacations, bonus vacations, holidays and distribution of overtime.

2106.31 Seniority During Industrial Disability

An employee who is unable to work because of industrial (service connected) disability shall accumulate all seniority rights during this period of sickness or disability not to exceed two (2) years duration, provided the employee has not secured other full time employment during the term of this disability. This period may be extended by mutual agreement. Prior to the end of three (3) months and each quarter thereafter the City and the Union will meet with the employee to determine if the employee will be able to return to their employment.

2106.32 Seniority; Bargaining Agent Officers and Representatives

All of Local No. 2058's Officers, Divisional Representatives and Departmental Representatives shall have top seniority during their term of office in that order regardless of length of continuous service for the purpose of layoff and recall. The only exception to this section is where there is more than one representative in a Division or Unit and there are different zones; the representatives shall exercise their seniority so that all zones will be covered.

2106.33 Loss of Seniority and Job Rights

A) The seniority of the employee shall be considered broken and the employee shall be considered terminated for the following reasons:

- 1) The employee resigns his position in the service.
- 2) The employee is discharged for just cause and the discharge is sustained.
- 3) After recall notice has been given to the employee, the employee fails to report for work after fourteen (14) calendar days.
- 4) The employee is absent of his own accord for a period of more than five (5) consecutive workdays and fails to properly notify for a leave of absence.
- 5) The employee fails to return at the expiration of an approved leave of absence.
- 6) An employee enters primary employment for another employer.
- 7) An employee is laid off continuously for more than three (3) years.

B) At the beginning of each year, the employer shall notify the Union in writing of all employees coming off any such list(s) that year. The City shall also provide written or fax notice to the Union weekly of any acceptances or rejections of recall.

C) When an employee loses seniority for reasons listed in 3 through 6 above, said employee shall be given written notice of the reason for such loss of seniority and shall be given the opportunity of having a hearing before such action is taken. Loss of seniority for any reason except paragraph (2) above, shall not be subject to review under 2106.23(f) Procedure; Appeal to Civil Service.

D) Notwithstanding the provisions of Section 2106.46 Personal Leave of More than Thirty Calendar Days, an employee may be granted a leave of absence without pay for a period of not to exceed two (2) years for the purpose of entering employment by a Bargaining Agent with which the City of Toledo has entered a collective bargaining agreement covering employees of the City of Toledo. This period may be extended on a year-to-year basis by mutual agreement.

2106.34 Unit Determination(s)

Unit determination shall mean an operational section within a department and/or agency based on common work interests and/or site location(s). It is the intent of the parties that unit determination(s) shall be mutually agreed to between the City and the Bargaining Agent. Unit determinations shall be made within sixty (60) days after the commencement date of this agreement.

2106.35 Labor/Management Meetings

In the interest of promoting a cooperative, participatory work environment, the City and the Union agree to meet bi-monthly to discuss issues of mutual interest. The meetings shall be held during the workday at a time and location of mutual agreement. The meetings shall be held on the first Tuesday of every other month, unless re-scheduled by mutual agreement. The Union President and the Director of Human Resources shall prepare a meeting agenda prior to the meeting date. The Union shall be represented by the President, staff representative and two other members identified by the President. The City shall be represented by the Director of Human Resources, one Senior Employee Relations Specialist and two representatives from the City's operating divisions.

The focus of the meetings will be to seek mutual resolutions of problems, to improve the work environment and to reduce the necessity to pursue grievances.

2106.36 Layoff Procedure

A) The City of Toledo will notify the Union a minimum of thirty (30) days prior to the effective date of layoffs that the elimination of positions has become necessary. Every effort will be made to provide up to forty-five (45) days notice where the City is aware that layoffs will be necessary and such notice will not delay the layoff process or cause greater budget cuts to occur.

Twenty (20) days in advance of layoffs the parties shall meet to review the City's list of funded vacant positions in the Local 2058 Bargaining Unit with the intent of employees whose positions are selected for elimination by the City assuming vacancies in the same classification or the same, higher, or lower salary group for which they qualify. Accordingly, five (5) workdays prior to the scheduled layoff date, employees whose positions are to be eliminated shall review the list of available vacancies and designate their choice among funded vacant positions for which they qualify and will move into their "displaced" position on the effective date of the layoff. An employee who has received a notice of layoff or is subsequently displaced shall have the right to accept the layoff without repercussion.

B) For purposes of determining the right of an employee to bump another employee, if the employee was hired directly into the Local 2058 jurisdiction then he shall have no right to bump other employees in another Bargaining Unit. If the Local 2058 employee was promoted to the position, then he shall have the right to bump back to a position in the Bargaining Unit from which he was promoted, provided the City of Toledo and Union are able to negotiate such an agreement with the corresponding Bargaining Unit(s) who has successfully challenged this provision.

1) Employees promoted from Local 2058 into the Exempt Service and whose position is being eliminated, shall have the right to assume vacancies in the Local 2058 Bargaining Unit based upon total City seniority provided no current employee from within the Local 2058 Bargaining Unit qualifies for the vacancy.

2) Employees within the Local 2058 Bargaining Unit will go through the layoff/displacement process prior to city employees who have secondary layoff rights, from the exempt or unclassified service.

C) When it is necessary to reduce the work force for lack of work or for other legitimate reasons, any temporary, provisional, part-time or probationary employee in the classification affected shall be laid off before any permanently certified employee is laid off. In making a layoff of permanently certified employees, the employee to be laid off shall be the one with the least amount of continuous service with the City.

D) This section shall first be subject to the provisions of Section 2106.32 Seniority; Bargaining Agent Officers and Representatives, which establishes top seniority, then to the provisions of Section 2106.29 City Seniority. An employee laid off shall have the right to accept the layoff without repercussions or assume another city position in accordance with the following procedure:

First: Employees must accept funded vacant positions within the Local 2058 jurisdiction within the same classification, within the same or lower salary group, or in a higher salary group if there is no established eligibility list, and there are no Local 2058 employees with recall rights to the higher classification, and provided employees conform to the provisions listed in this section.

Second: The employee shall have the right to displace the employee in the same classification with the least amount of continuous service with the City.

Third: The employee must accept a funded vacant position within the Local 2058 jurisdiction within a lower salary group if there are no Local 2058 employees with recall rights to that position, and provided the employee conforms to the provisions listed in this section.

Fourth: The employee shall displace the employee in the same salary group who has the least amount of continuous service with the City, provided the affected employee has performed in that classification and meets the minimum requirements for the classification and has the ability to perform the duties of that position.

Fifth: The employee shall drop one or more salary groups and displace the employee in the lower salary group who is working in a classification that the employee has performed and meets the minimum requirements for the classification and has the ability to perform the duties of that position.

Sixth: Notwithstanding the above procedure, an employee will be allowed to displace an employee in a classification he has not performed if that classification is in a logical progression from his present classification and a former classification that he has held. Again, the employee must meet the minimum requirements for the classification and have the ability to perform the duties of the position.

Seventh: The definition "performed in the classification" will include employment outside the City and related employment within the City where documentation has been submitted to the Employer. An individual approved must be able to perform the duties of the position. Employees should update their employment folders with the City. Such documentation may also include certification of licenses; on-the-job training, seniority at different and various tasks for the City.

Eighth: This process shall repeat itself until the employees having the least amount of seniority within the affected classes have been displaced by employees with greater seniority who have met the conditions set forth above.

Ninth: In the event there are any seasonal employees working anywhere for the City, permanent, provisional or part-time employees who have been laid off as a result of this procedure shall have the option of taking those positions by seniority provided they have the ability to perform the duties of such positions or they may choose to take the layoff without repercussion.

E) An employee assuming a vacancy in a higher salary group under Part D) First above shall be provisionally appointed to such vacancy. The employee shall be paid at the full rate instead of the start rate for purposes of this paragraph only. The employee shall become permanent in accordance with Section 2106.39, "Promotions", herein and the Civil Service Rules. If an eligibility list is established before the employee becomes permanent and the employee does not place within appointing range, the employee shall return to a vacancy in their original classification, if available, or shall exercise their bump rights from the original classification.

F) An employee who is deemed unsatisfactory in a different classification during the first thirty (30) work days after their layoff shall re-bump from their original classification prospectively from the date of their re-bump. An employee who of their own volition desires to vacate their position assumed through layoff during this thirty (30) day period may only assume a vacancy and shall not be entitled to re-bump.

G) The City will provide the Union with a list of the positions which were eliminated and displaced and/or laid off employees within thirty (30) days following this process.

2106.37 Vacancies

A) The priority for filling any vacancy shall be established under the following system:

- 1) Recall of permanent employees who are laid off in accordance with established procedures.
- 2) Provisional appointment (refer to 2106.39)
- 3) Promotion from the appropriate eligibility list (refer to 2106.39)
- 4) Transfer (refer to 2106.40)
- 5) Voluntary Demotion (refer to 2106.40)
- 6) Recall of classified or unclassified employees who are laid off and were previously in classified service and Local 2058 jurisdiction.
- 7) Reinstatement of permanent employees in conformance with Civil Service Commission rules.

B) The employer shall post all vacancies. The bargaining agent, President, Vice President or their designee(s) shall receive copies of all vacancies within ten (10) work days of the occurrence of the vacancy.

C) No appointments will be made to a position within this Bargaining Unit until the priority for filling vacancies has been exhausted herein. (refer to 2106.37)

2106.38 Recall Procedure

A) Names of permanently certified employees who are laid off shall be placed on a reemployment list for their appropriate respective classes. Names of probationary employees who are laid off shall be returned to the eligible list from which certification was made.

B) Before any funded vacancies are filled within the Bargaining Unit, the qualifications of individuals on the recall list will be reviewed to determine if they possess the necessary qualifications to fill such vacancies. The names of permanently certified employees who are laid off shall be placed on appropriate recall lists according to their City seniority. The employee with the most city-wide seniority shall be recalled first when job vacancies are to be filled or when funds and work are available. All former employees shall be recalled from layoff in the inverse order from which they were laid off, and must return to their former original positions when they become available subject to (b)(2) of this section. Permanently certified employees who are laid off under Section 2106.36 Lay Off Procedure shall remain on this list until they are returned to the division and classification they occupied just prior to the layoff, or:

1) A three (3) year period has elapsed, in which case, they will be removed from the recall list. Provided, however, employees will remain on this list for return to the division and classification they were in prior to the lay off or displacement for an additional one (1) year.

2) Laid off employees who refuse recall to their former original positions will forfeit all further recall rights and shall be removed from the City's recall list.

3) The employee is on retirement with the Public Employees Retirement System.

4) The employee, on a voluntary basis, takes a promotion or demotion into a position covered by a different City of Toledo Bargaining Unit.

C) All laid off or displaced employees from Local 2058 positions shall be given the opportunity to fill any position for which a vacancy occurs, after the layoff or displacement, before any new employees are hired, provided that the laid off or displaced employee has the qualifications and ability to perform the duties of the vacant position.

D) Displaced employees will be personally contacted by telephone and notified of their being recalled and must accept or reject the recall within three (3) workdays. A form confirming the acceptance or rejection will be completed. An employee who cannot be contacted or an individual who is on lay-off will be sent a certified letter to their address of record in the City of Toledo personnel file notifying them of being recalled: a failure to accept or respond within ten (10) work days will result in the City recalling the next most appropriate employee.

E) The City will provide the Union with a list of the abolished positions, displaced employees and laid off employees within thirty (30) days of said process.

2106.39 Promotions

A) **COMPETITIVE ELIGIBILITY LIST:** When a promotional competitive list has been certified to the appointing authority, the Division Head shall afford all the employees whose names are certified from the list an interview. When the Division Head does not intend to appoint the employee who is the first on the list, then the Division Head shall inform the employee in writing that they have not been selected, and when requested, the specific reasons in writing for the employee being bypassed. Priority for promotion shall be given to the employee within the Bureau who is in a natural progression for promotion (e.g., Police Communications Specialist II, to Communications Operator Supervisor) who has demonstrated the ability to perform the duties in the Communications Operator Supervisor position.

1) After certification by the Toledo Civil Service Commission, the City will provide the Union President with a copy of the competitive eligibility list for classifications within this Bargaining Unit.

B) **NON-COMPETITIVE ELIGIBILITY LIST:** When a non-competitive list has been certified to the appointing authority, the Division Head shall afford all the employees whose names are certified from the list an interview. Where the Division Head does not intend to appoint the employee with the best structured interview, then the Division Head shall, in writing, inform the employee who ranked highest that they have not been selected. Priority for promotion shall be given to the employee within the Bureau who is in a natural progression for promotion (e.g., Police Communications Specialist II, to Communications Operator Supervisor) who has demonstrated the ability to perform the duties in the Communications Operator Supervisor position. When requested, the reason(s) for the non-selection shall also be provided. The structured interview results showing the ranking of those interviewed will be faxed or e-mailed to the Union President or designee prior to filling the position.

1) It is the intention of this Article that employees, upon completion of the structured interview, will remain on the list, within that department, as rated in the initial structured interview, for (12) twelve months. Priority for promotion shall be given to the employee within the Bureau who is in a natural progression for promotion (e.g., Police Communications Specialist II, to Communications Operator Supervisor) who has demonstrated the ability to perform the duties in the Communications Operator Supervisor position.

2) If the eligibility list is extended for more than twelve (12) months, the original structured interview results may be used or new structured interviews may be conducted. Informational interviews may be conducted after the original structured interviews.

3) Employees may update their files with the Division Head and Human Resources at any time.

C) Any employee who was bypassed shall have the right to appeal directly to Step Two of the grievance procedure, Section 2106.18 for a determination as to the adequacy of the reason(s) for their non-selection. The employee shall file his grievance within six (6) workdays after having been informed of the fact that he will be bypassed.

1) Only Local 2058 may decide to appeal a dispute to arbitration.

2) When the employee has filed a grievance under this section, the position shall not be filled until the action of the Division Head has been reviewed through the grievance procedure.

D) An employee promoted to a higher classification as a result of certification from any promotional list, who is found to be unsuited for the work of the new classification or who desires to return to his former position during the four hundred eighty (480) actual work hours after completion of on-the-job supervisor training for Supervisor-Communications probationary period, shall be reinstated to their former position. If the employee's former position has been filled, the employee filling that position may be removed and reinstated to their former position, and so forth, with no loss of seniority.

E) Where a permanently certified employee in the classified service is promoted to a position in the exempt or unclassified service then the employee shall retain his rights in the Local 2058 Bargaining Unit, subject to his return under Section 2106.37, "Vacancies".

F) In the event an employee is terminated from his or her position in the exempt or unclassified service, then their name may be placed on the eligibility list for appointment for any position or positions in the Local 2058 Bargaining Unit they are qualified for and they may be considered for appointment to the next vacancy which occurs, subject to Section 2106.37, Vacancies.

G) The employer shall give notices to the President or designee of the Bargaining Agent of all such promotions.

H) Provisional appointments shall only be made in the absence of an eligibility list. The employee determined most qualified from among all qualified employees within the Unit, Division, Department or Agency in the next lower classification may be appointed to that position until an eligibility list is established.

1) When an employee has successfully completed a four hundred eighty (480) actual work hours after completion of on-the-job supervisor training for Supervisor-Communications probationary period, said employee shall become a permanent appointee in the classified service.

a) When the provisional employee is finally certified to the position, the employee's accrued seniority for the duration of time spent as a provisional employee shall be counted as the employee's seniority date.

2) Selection of provisional appointees shall occur utilizing a structured process. Selection criteria shall include seniority, experience, work record/performance, attendance, disciplinary record, education/training, and demonstrated ability to perform the job.

3) Employees bypassed for selection more senior than the selected employee shall be informed in writing by the Division Head of the reason(s) they were not selected. The bypassed employee may appeal directly to Step Two of the grievance procedure, Section 2106.18 for a final determination as to the adequacy of the reason(s) for the non-selection.

a) Said appeal must be filed within six (6) work days of notification of the bypassing.

b) Appointment to the position shall not occur until a determination has been rendered through the aforementioned grievance process.

2106.40 Transfers; Voluntary Demotions

A) A transfer is a movement to a different Department, Division or Agency from a position in one classification to either a similar position in the same classification, or any position in the same salary group for which the employee meets the requirements provided that:

1) the employee has performed in the classification;

2) the employee has sufficient experience in a similar or related position as determined by the Department of Human Resources.

Local 2058 Communication Operator Supervisor members on the transfer list for a Local 2058 classification shall have first priority over any non-Local 2058 employee.

B) The Local 2058 representative to the Transfer Review Board shall be contacted before a Local 2058 Communication Operator Supervisor transfer is decided. If any member of the Board decides to meet, the Board shall meet before a decision is made. A 2/3rds vote of the Board is required. The transfer or voluntary demotion of permanent employees shall be subjected to the review and approval of the Transfer Review Board and shall be implemented in accordance with the rules governing transfers and voluntary demotions as adopted by the Toledo Civil Service Commission. Requests shall be valid until December 31st of the year in which they are filed. Employees shall be limited to one (1) transfer per twelve (12) month period. Where a transfer or voluntary demotion has been requested by an employee and such request is approved by the Transfer Review Board under the rules of the Civil Service Commission, the City will honor the request.

C) Employees who transfer to the same classification shall be permanent in their new position. Employees who transfer to a different classification in the same salary group shall be provisional in the new position.

D) The City may also request that an employee be transferred when such request would be for the good of the service. The request must be made to the Department of Human Resources and must be processed under the rules established by the Civil Service Commission.

E) A voluntary demotion is the movement by an employee from his or her permanent classification to a classification in a lower salary group that involves duties that the employee is qualified to perform. A voluntary demotion is differentiated from a regular demotion in that it requires that the employee initiate such action rather than the City.

F) An employee transferred or demoted voluntarily as provided herein, shall be probationary for a period of three hundred sixty (360) actual work hours. During this period either the transferred employee or the City can request that the employee be returned to his or her former position. If the employee's former position has been filled, the employee filling that position may be removed and reinstated to his or her former position, and so forth.

2106.41 Reinstatement Rights

Employees that have been permanently laid off or displaced shall have reinstatement rights, pursuant to the Civil Service Commission rules.

2106.42 Alternates

A) An alternate is an employee who is temporarily assigned to perform duties outside the employee's regular classification. An alternate may be temporarily assigned under the following circumstances:

1) To replace an employee who is off for any reason;

2) To fill a vacant position pending the making of a provisional or permanent appointment;

3) To temporarily supplement the staffing level authorized in the budget, not to exceed one hundred twenty (120) work days; provided, however, the union shall be given written notice of such supplemental staffing and the projected time frames for same. Upon mutual agreement with the union regarding special projects, the one hundred twenty (120) work days will not be applicable.

4) To provide training opportunities and credit as prescribed by the education and training program.

B) The divisions shall maintain a record of alternate time served by each employee. The division shall also document training programs attended by employees sponsored or provided by the City. The employee shall be responsible for updating their Human Resource file regarding attendances at such programs where applicable to meet minimum requirements for promotions into various classifications.

In selecting alternate appointees, consideration shall be given to seniority, experience, work record/performance, attendance, disciplinary record, education/training, and demonstrated ability.

C) The employee within the Unit that the vacancy exists that is highest on a competitive list, shall be appointed as an alternate from within Local 2058 Communication Operator Supervisors. If there is no employee within the Unit on the competitive eligibility list, then the alternate assignment shall be given to the employee from within the Division standing highest on the competitive eligibility list from within Local 2058's Bargaining Unit.

D) If the established eligibility list is non-competitive, the above procedure shall be followed except that one of the three (3) employees with the most City Seniority from within Local 2058 Communication Operator Supervisors, within the Unit then the Division respectively, shall be appointed to the alternate position. All things being equal, the most senior employee is to be appointed.

E) In the absence of an eligibility list, one of the three (3) employees with the most classification seniority willing to accept the appointment and qualified to do the work in the next lower classification within the Unit, shall be given the alternate assignment from within Local 2058 Communication Operator Supervisors. If there are not three (3) or more in the unit, then the most senior from the division shall be included for consideration to provide for selection from among three (3). Provided herein, and in this section the employee meets the minimum requirements of said position and/or has obtained a waiver from the Civil Service Commission.

F) If there is no eligible employee within the immediate lower classification, one of the three (3) employees with the most classification seniority qualified to do the work and willing to accept the appointment in the next lower classification within the Unit shall be given the alternate assignment and so forth until no employee with the Unit is eligible for the alternate assignment from within Local 2058 Communication Operator Supervisors.

G) If there is no eligible employee within the immediate lower classification, one of the three (3) employees with the most classification seniority willing to accept the appointment and qualified to do the work in the next lower classification shall be given the alternate assignment and so forth until no employee in a lower classification with the Division is eligible for the alternate assignment from within Local 2058 Communication Operator Supervisors.

H) In the event that there are no employees in Local 2058 Communication Operator Supervisors, within the Unit or Division(s), who are qualified and willing to perform as an alternate, and/or on said lists herein, then and only then, the City may determine the "next most appropriate" person to fill the vacancy temporarily as an alternate.

I) When an employee is worked as an alternate, the employee shall be paid at the alternate rate of the position worked for a single compensated day off, providing the employee worked in the alternate position for three (3) of the five (5) work days immediately preceding the single compensated day off. The employee shall be paid at the alternate rate of the position worked for more than a single compensated day off up to a maximum of sixty (60) days, providing the employee worked in the alternate position for six (6) of the ten (10) work days immediately preceding the compensated days off and has not already been compensated for such time at the higher alternate rate of pay. If the employee worked continuously as an alternate for more than sixty (60) workdays, then the employee shall be paid at the alternate rate for the number of days actually worked for days off up to one hundred twenty (120) workdays.

J) If an appointment list (i.e., competitive, non-competitive, provisional or recall) has been issued to a division as provided for under "Vacancies", Section 2106.37, for a position temporarily filled by an alternate and the division has failed to fill the position within ninety (90) days of receipt of an appointment list, the Union may present this delay in filling the position at the Labor/Management Meetings, Section 2106.35. If the matter is not resolved through the Labor/ Management, the Union may, within twenty (20) days following the Labor/Management meeting, proceed to expedited arbitration, Section 2106.18, over the delay in filling the position.

1) If the arbitrator determines the delay in filling the position was without merit, the division will pay the Union the equivalent in Union dues for the salary group of the classification at issue for each successive month from the issuance of the appointment list.

2106.43 Leave of Absence Without Pay

B) When a leave of absence for more than thirty (30) calendar days is granted, the employee shall not be entitled to be returned to the position from which the leave was granted, but will be placed in an open position in the same class or in a class at the same salary group provided a vacancy exists, except in the case of a leave of absence for the purpose of securing job related educational experience, in which case the employee shall be returned to the Division from which the leave was granted. The exceptions to this provision are as follows: the employee who is on an industrial injury leave and in the City program with the Program Physician will be entitled to return to their position when determined to be physically able to return to work in their classification; or the employee is on a leave pursuant to the Family and Medical Leave Act of 1993 and is entitled to return as provided therein.

If an employee elects to go on Worker's Compensation pursuant to Section 2106.82(e) Injury Pay, the City may fill that position after thirty (30) calendar days.

C) In no case shall a leave of absence be granted for a period of more than one (1) year, except as otherwise provided herein.

D) An employee on an approved leave of absence for more than thirty (30) calendar days in any calendar year shall not receive hospitalization-surgical-drug prescription benefits during the period of such leave; however, the employee may arrange to prepay, through the Division of Accounts/Payroll, the premiums necessary to continue the employee's hospitalization and surgical insurance in force during the period of time the employee is on leave. However, life insurance benefits will be maintained during said period.

E) The application(s) and granting of this benefit to the employees in the Bargaining Unit, for purposes of employee(s) prepaying their hospitalization-surgical-drug prescription, shall be applied uniformly and shall not be withheld arbitrarily or capriciously. The exceptions to this are a leave pursuant to the Family and Medical Leave Act of 1993 or an industrial injury leave as provided in this Chapter.

2106.47 Falsification of Request

No employee shall be granted a leave of absence for the purpose of entering employment for another employer or becoming self-employed. If a leave of absence is falsely obtained and the employee is found to be employed by another employer or to be self-employed while on a leave, the employee shall be given the opportunity to resign from service with the City. If the employee fails or refuses to resign, then he may be discharged provided that the discharge will be subject to review under the grievance procedure provided herein.

B) An employee must take all compensatory time in excess of one hundred sixty (160) hours by April 30 of the year following the year in which the time was earned. 2106.68 Compensated Time Considered as Time Worked

This Committee may also include representatives from other bargaining units within the City. The Committee will be required to consider all issues brought before it regardless of the bargaining unit impacted.

1) This joint committee shall review all general and/or special divisional safety rules for compliance with required safety standards and, wherever possible, such rules shall be adopted City-wide.

2) This joint committee will also perform the following functions:

Goals and objectives not met within established timeframes shall be critically reviewed by the Committee. If the City, in its sole discretion, is dissatisfied with progress in meeting goals and objectives or with the Committee's action or inaction, the City may take such actions as it deems necessary to exact cost containment.

h) The Committee shall review and analyze all reports of work-related injury or illness, as submitted by the representative of the Human Resource Development Section and recommend procedures for the prevention of accidents and disease and for the promotion of health and safety of employees.

i) The Committee shall promote health and safety education and/or participate in such programs.

j) The Committee may ask the advice, opinion and suggestions of experts and authorities on safety matters and recommend to the representative of the Human Resource Development Section that experts and authorities from the Industrial Commission of the State of Ohio, Division of Safety and Hygiene, and the Toledo Lucas County Safety Council as well as international representatives of the union be utilized on an as-needed basis as determined by the Committee.

3) Sub-committees may be formed as deemed necessary by the co-chairpersons to study issues, develop reasonable solutions, and report back to the Committee.

4) Annual savings directly attributable to the cost containment measures provided herein shall be placed in a Workers' Compensation fund to be used as a reserve for payment of future cost increases. Savings shall be considered directly attributable to cost containment measures when a direct correlation can be established between a measure adopted herein and a per employee reduction in the City's cost in providing both injury pay and Workers' Compensation benefits from the preceding year.

5) Union representatives will receive their regular pay while on Committee business.

6) The Committee shall meet regularly, on at least a monthly basis, and attendance shall be required. Actions taken in the absence of a bargaining unit representative shall be binding upon that bargaining unit. The City will provide minutes of each meeting.

D) Divisional safety committees shall be formed which will include the Commissioner or designee, a representative designated by the union and other divisional personnel mutually agreed upon.

2106.71 Bargaining Unit Work

Employees included in this Bargaining Unit shall not perform work ordinarily assigned to other employees and employees not in this Bargaining Unit shall not perform work ordinarily assigned to employees in this Bargaining Unit. This section shall not prohibit a Communications Operator Supervisor from performing Local 7 Bargaining Unit work in the Communications Bureau for purposes of training and when necessary to meet the demands of calls for service or dispatch.

2106.72 Training and Service

A) The City recognizes that it is not always possible to select by examination process, persons who are fully competent when appointed to perform all the duties of the position to which they may be appointed. The employee shall be given every opportunity to qualify during this probationary period.

The Parties recognize that additional training is necessary to maintain necessary skills, to improve one's capabilities, and to acquire new skills. The parties, therefore, agree to continue the Joint Training Committee.

B) Training programs for supervisors and Bargaining Unit employees will be developed through the Joint Training Committee. Three (3) members of AFSCME Local 2058 shall have input into the types of training to be offered through the establishment of a Joint Training Committee.

C) The Joint Training Committee will consist of three (3) representatives chosen by the union and three (3) representatives selected by management. It shall make recommendations to the City of Toledo regarding programs in which supervisors could be trained, including but not limited to:

1) implementation of safety methods and practices

2) enhanced communication(s)

3) managing change

4) quality improvement

5) day to day supervisory issues

- 6) appraising, counseling, motivation of employees
- 7) training and improving work processes
- 8) upward employment enhancement opportunities through on the job training
- 9) career development
- 10) planning and setting objectives
- 11) time and stress management
- 12) conflict resolution

The parties agree that employees who have successfully completed a training program shall receive a certificate to that effect. The certificate shall become a part of the personnel file, and may be considered for future advancement.

D) Employees who are involved in approved training or educational courses may be allowed two (2) training days with pay for attendance, final exams, etc. These days are limited to only two (2) days each calendar year and may be used consecutively or one (1) day at a time. These days off must be approved at their divisional level.

E) As a rule, overtime will not be paid for any training related time including travel unless approved in advance in conjunction with the training request approval. However, when overtime is authorized, it shall be offered consistently to all employees and not be arbitrary or capricious in the application and authorization.

F) Employees who are involved in mandated training for their job may be allowed time off with pay to attend. Those days off must be approved at their divisional level. The approval process will give priority to courses offered by or at the City.

2106.73 Working Above Classification

When an employee is temporarily required to work above their classification or pay rate, they shall receive the higher rate of pay while performing the duties of the higher classification unless assigned for strictly training purposes while the regularly assigned employee is also working in that classification. (Refer to 2106.72, Training and Service)

Any employees temporarily promoted or required to be in an alternate or acting position in the exempt group shall receive the higher rate of the exempt incumbent(s) position and shall be entitled to overtime/premium pay if working in any such position in an overtime situation.

Those employees working in the exempt group in the executive(s) salary range shall receive the incumbent rate of pay. Note: an employee working in the Exempt E group is not entitled to overtime. The City and the Union recognize that from time to time it may be necessary for an alternate working in the exempt classification to work overtime in their regular class. If this arises they will be paid at the appropriate overtime rate.

The parties agree to review issues of advance notice, duties and responsibilities and pay at a labor/management meeting.

2106.74 Working Below Classification

No employee(s) shall be required to work below his classification(s) if there is an alternate available from within the unit to fill the classification. Employees temporarily required to work below their classification(s) or pay rate shall receive their regular rate of pay.

2106.75 Resignation

Any employee whose removal from the service is sought for disciplinary reasons may resign at any time and his records shall show that the employee resigned of his own accord. Any employee who wishes to leave the City's service in good standing shall sign a written resignation with his Department and/or Division Head at least two (2) weeks in advance of the date he wishes his resignation to be effective.

2106.76 Outside Employment

No employee of the City shall accept outside employment that is adverse to or in conflict with his municipal employment. In the event said employee shall be injured while engaged in outside employment, he shall not be entitled to any sick leave benefits which have been accumulated by virtue of his employment by the City.

2106.77 Change of Name and/or Address

Employees shall report in writing changes of name, address and telephone number, on appropriate forms, to their division/department. Such changes shall be reported within fifteen (15) calendar days of occurrence.

2106.78 Accumulation of Sick Days

A) Regular employees of the City shall be credited with sick days in accordance with the following formula: One and one-quarter (1¼) days shall be credited for each month of service, not to exceed fifteen (15) days per calendar year. Such days shall continue to accumulate at such rate without any maximum limitation. An employee granted a Leave of Absence for thirty (30) calendar days or more shall not accumulate sick pay during the period the employee is on such leave.

1) Employees enrolled in this plan will bank accumulated sick leave. This banked sick leave accumulation can be used if needed for illness or paid off at retirement or resignation provided that the conditions of Section 2106.102, "Termination and Severance Pay" have been met. One-half for all banked sick time up to two hundred (200) days and full pay for accumulated sick time in excess of two hundred (200) days.

2) Beginning with the last full pay period of 2011, an employee who has twenty-seven (27) years of service credit and is age eligible to retire will have the right to ask for up to thirty-three percent (33%) of their accumulated sick pay, in excess of sixteen hundred (1600) hours, be paid out or converted to compensation time. This will occur annually in the last full pay period of the year or no later than December 30. Sick pay selected under this program will be deducted from the total hours available at the time requested. The employee who accepts accumulated sick pay under the provisions allowed under this section will not be entitled to paid extension of sick time, effective with acceptance of this pay.

B) Effective June 1, 1998, those newly hired employees in Local 2058 positions hired directly from the street will be under and automatically enrolled in the City Annual Sick Leave Conversion Plan, as provided in C) below.

C) Employees promoted to Local 2058 Communication Operator Supervisors who are already enrolled in the City's Annual Sick Leave Conversion Plan shall remain under the Plan as set forth below. All other Local 2058 Communication Operator Supervisors bargaining unit members shall have the option of enrolling in the below Plan, but once enrolled must remain enrolled.

1) Employees shall be credited with sick days in accordance with the following formula: seven (7) hours per month, not to exceed eighty-four (84) hours per calendar year, until two hundred ninety-four (294) hours have been accumulated, then one and one-quarter (1¼) days shall be credited for each month of service, not to exceed fifteen (15) days per calendar year, thereafter; provided however, that if the employee's accumulation drops below two hundred ninety-four (294) hours or fifty percent of their total potential accumulation, whichever is greater, inclusive of sick pay used and converted, then the accrual will revert to seven (7) hours per month until the applicable threshold is regained unless it is the use of FMLA approved time, or of "documented sick time" as defined in 2106.80, Reporting; Proof of Illness, which causes the employee's accumulation to drop below this level. Such hours shall continue to accumulate at such rate without any maximum limitation. An employee granted a leave of absence for thirty (30) calendar days or more shall not accumulate sick pay during the period the employee is on such leave.

2) Sick leave hours not used by the end of the year can either be turned in for payment of a percentage of salary as indicated below or carried over until retirement or separation. The maximum number of sick hours allowed for year-end payment will be forty (40). Employees using twenty (20) hours or fewer of sick leave in the preceding calendar year shall be entitled to a conversion to pay at fifty percent (50%). Employees using more than twenty (20) but forty (40) or fewer hours shall be entitled to a conversion at thirty-three percent (33%). Employees with fewer than two hundred ninety-four (294) hours of accrued sick time or who have used more than forty (40) hours in the preceding calendar year shall not be eligible for this conversion privilege. Hours converted to pay shall be at the employee's regular rate.

3) Provided the conditions of Section 2106.102, "Termination and Severance Pay", have been met, unused sick leave will be paid as follows at the employee's regular rate at the time of termination: thirty-three percent (33%) of salary for the first four hundred eighty (480) hours and fifty percent (50%) of salary for the next four hundred eighty (480) hours for a maximum of nine hundred sixty (960) hours.

4) Sick time transferred from other political subdivisions of the State of Ohio will be accepted in full, but shall not be applicable toward the year-end payoff provided in part (c)(2). If transferred sick time is held to retirement or resignation, it may be counted together with sick time accrued after June 1, 1998 from the City of Toledo toward the nine hundred sixty (960) hour maximum and then would be paid under the 33%/50% formula above.

2106.79 Sick Pay Usage

Sick pay is pay to the employee for the necessary absence from duty on a regularly scheduled work day because of the illness, injury or exposure to contagious disease suffered by the employee not in the course of his employment, or illness in the employee's immediate family that necessitates the employee's absence from work or would result in serious hardship to the employee's family. Attendance to the immediate family member at a hospital while undergoing serious medical attention shall be included under this provision. Sick pay shall not be made for illness or injury incurred as a result of outside employment or as a result of any action within the control of the employee such as intentional self-inflicted wounds, use of drugs, or alcoholic beverages, while committing a felony or other similar action. For the purpose of this section, immediate family shall include only the employee's father, mother, sister, brother, spouse or child. Where a special relationship exists between the employee and any other person for whom the employee would not normally be granted sick pay, said sick pay will be granted upon pre- authorization of this relationship by the Department of Human Resources. An affidavit stating the existing relationship and certifying that the person resides at the employee's household and is dependent on the employee for their well being must be approved by the Department of Human Resources prior to the utilization of any sick pay. The family illness provision shall be for a limited period of time (not to exceed seven (7) work days) to enable the employee to secure other arrangements for the care of the member of the employee's immediate family. Usage of "Sick Family" of over three (3) consecutive work days shall require a "Statement of Attending Physician".

2106.80 Reporting; Proof of Illness

A) The employee, while absent on sick pay, must notify the City under agreed practices. When claiming sick days an employee must remain at home caring for his illness unless away receiving medical attention such as in a hospital, at a doctor's office or at a pharmacy, and be able to document the absence from home. An employee who is recuperating from

surgery or other major medical condition and who has not been released to return to work by a physician within ten (10) work days does not have to remain at home provided that their physician's statement indicates that remaining home is not necessary to their full and fast recovery. The employee then shall be allowed under these conditions to continue to receive sick pay benefits.

B) When the use of sick time extends beyond three (3) consecutive workdays, the employee shall furnish the City with a City "Statement of Attending Physician".

C) Effective June 1, 2006, when an accumulation of sick time taken within a calendar year reaches five (5) days or forty (40) hours, that is not FMLA-approved, or is not otherwise documented as specified below, then the employee shall be notified that use of more than six (6) days or forty-eight (48) hours of non-FMLA or undocumented sick time that year may be cause for discipline. When the accumulation of non-FMLA approved or undocumented sick time exceeds six (6) days or forty-eight (48) hours, the employee may be subject to discipline. Prior to any disciplinary action being taken, the City will afford the employee an opportunity to document any legitimate reason(s) for the use of sick time.

D) Sick time is defined as any sick time that is not FMLA- approved or is not otherwise documented. Documented sick time, for purposes of this section, shall be restricted to notes or other documentation from a medical office (physician, nurse practitioner, nurse, dentist, chiropractor, physical therapist) school official or the city health care provider.

E) An employee who goes home sick after reporting for work, shall receive written notification for the second occurrence in a calendar year that does not meet a requirement as set forth in (d) above. The written notice shall instruct the employee that the same conduct in the future will result in the employee being required to submit appropriate documentation addressing the reasons for leaving early for the remainder of the calendar year. This provision shall not be applicable when the employee has a documented pre-approved doctor's or dentist's appointment. Nor shall it apply where an employee is authorized to report to work for a partial workday, on a day the employee would otherwise take the entire day as sick leave. Authorization to report to work under this provision will be requested by direct verbal communication between the employee and the employer or its designee, and confirmed as soon as practicable in writing.

F) Failure to provide a "Statement of Attending Physician" or documentation when required by this agreement may subject the employee to disciplinary action.

G) Any absence from duty as the result of a claimed illness or injury may be investigated during the employee's normal working hours by an authorized City representative.

H) Any employee found guilty of abusing sick pay benefits provisions hereto set forth or whose reasons for absence are falsified shall be subject to appropriate disciplinary action.

2106.81 Sick Pay Extension

In the event of the extended illness of an employee and after having exhausted all accumulated sick days, bonus days, compensated time and vacation days, then a request may be made to the Director of Human Resources for extended sick pay benefits. The employee's prior work record with regard to usage of sick days and the employee's seniority will be taken into account in determining the eligibility of the employee for such extension.

2106.82 Injury Pay

A) Employees injured in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Worker's Compensation laws of the State of Ohio will be eligible to participate in the City's Injury Pay Program. The Cost Containment Committee referenced below will select the Program Physician(s) and medical facilities from submitted proposals.

1) Employees sustaining a work related injury that requires medical attention at a medical treatment facility (i.e., sprains, simple fractures, etc.) will be transported to and treated by a Program Physician or medical facility. The Program Physician, along with rendering a diagnosis and prognosis, will determine if the employee is capable of returning to regular duties, whether a transitional work assignment is appropriate, and the necessary rehabilitation plan to be followed; this plan will include the duration of any transitional work assignment not to exceed thirty (30) calendar days and indicate any physical therapy the injured employee may require. The Program Physician(s) may require follow-up medical evaluations.

2) Employees sustaining a work related emergency/trauma injury (i.e., life threatening, severe body injury) may be treated at any medical treatment facility to which emergency medical personnel transport them. The employee will subsequently be examined by the Program Physician. The designated Program Physician will determine if the employee is capable of returning to regular duties or if a transitional work assignment is appropriate and the necessary rehabilitation plan to be followed; this opinion will include the duration of any transitional work assignment not to exceed ninety (90) calendar days and indicate any physical therapy the injured employee may require. The Program Physician(s) may require follow-up medical evaluations.

3) An employee may, after the initial evaluation by the Program Physician, elect to continue treatment with their personal physician provided the Program Physician's recommendations are followed. The employee will sign any necessary waivers to allow their personal physicians to release information to the Program Physician. The employee's personal physician will be the physician of record for Workers' Compensation purposes.

B) Upon the Program Physician's determination that an injury requires the employee to be off work, wherein the employee reports said injury within twenty-four (24) hours of the incident of illness or injury, paid leave shall be granted by

the Department of Human Resources for up to sixty (60) days.

Should such disability exceed sixty (60) calendar days, the Director of Human Resources, on application therefor and proof of continued disability, may extend the period during which such person is carried on the regular payroll. The length of such extended period or periods shall not exceed two (2) years.

Injury Pay Extension Requests, accompanied by a "Statement of Attending Physician" setting forth the illness or injury and the need for additional time, must be presented to the Director of Human Resources no later than one (1) week after the expiration of the original sixty (60) day disability period. If the above requirements are not fulfilled, the request for injury pay extension may not be considered.

C) Workers' Compensation: At the expiration of the injury leave granted, if the employee is still unable to return to work, the employee may elect in writing to use accumulated sick and other accrued time. If the employee is still unable to return to work, payment of normal wages will be stopped and the Industrial Commission will be requested to begin weekly payment under the provisions of the Workers' Compensation Act.

D) If the opinion of the employee's treating physician conflicts with that of the Program Physician and such opinion is presented to the City in seven (7) calendar days of the Program Physician's evaluation, and if the physicians cannot agree after consultation, the employee will be referred for a third opinion. The Cost Containment Committee referenced below will establish a panel of occupational health specialists for third opinions. The third opinion shall be determinative of the employee's injury pay status under the contract and shall not be subject to further appeal or review. If the third opinion is consistent with the Program Physician's plan and the employee fails to abide by the rehabilitation plan, or if the employee enters and later drops out of the plan, then the City can recoup injury pay advanced from the employee's sick time accumulation. If the employee does not have a sufficient sick time balance, the City shall recoup the injury pay by reducing future sick leave earnings by one-half (½) until the injury pay is fully recouped.

E) Employees who sustain injuries in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Worker's Compensation laws of the State of Ohio who choose not to be evaluated by the Program Physician or who choose not to follow that physician's recommended program and go only to the physician of their choice are not entitled to any paid injury leave benefits contained in this collective bargaining agreement. Notice of intent not to participate in the City's injury program must be given within three (3) workdays of the injury. Any and all work-related injury claims will be processed through and conform with the Workers' Compensation Act.

F) False Claim: The City reserves the right to recoup benefit payments to any employee who is guilty of submitting a false claim, or abuse of the privileges covered in this section, or working for another employer while on injury leave, and may take disciplinary action.

G) An employee working in a transitional work assignment will be compensated at their regular rate of pay. The employee will not be entitled to bid rights, overtime, etc., since the employee is not fit to perform all of the duties of the classification. With regard to the rights of other employees, the employee in the transitional assignment will be deemed not to be working out of classification.

Transitional work assignments will be identified by the Department of Human Resources in consultation with those divisions who have appropriate tasks available. The currently available assignments and the tasks involved in each division will be provided in writing to the union.

It is not the intent of this Section to allow divisions to provide transitional work above that identified nor is a division required to provide transitional work where no such appropriate tasks have been identified and recognized.

H) An employee whose treating physician has declared the employee to be "maximum medically improved" (MMI) using the tie-breaking feature in part (d) of this section, shall have the right to fill a position according to the following priorities:

- 1) Return to the same job so long as it does not violate their physical restrictions;
- 2) Return to the same job with reasonable accommodations for their physical restrictions;
- 3) Return to a vacant position in the same salary group for which he/she qualifies that does not violate their physical restrictions;
- 4) Return to a vacant position in a lower salary group for which he/she qualifies that does not violate their physical restrictions.

In the event that an employee cannot be returned to work in their regular job or alternate position, or is applying for a PERS disability retirement, if the employee has followed the Injury Pay Program, the City will continue injury leave pay for a period of forty-five (45) days. After forty-five (45) days, the employee may use sick leave and/or vacation time that they have accrued. The Department of Human Resources will continue to review the vacancy list every two (2) weeks for a position for which the employee would qualify. Where appropriate, if the employee qualifies for Bureau of Workers Compensation rehabilitation, the City will cooperate with the Bureau in allowing on-the-job training to help qualify the injured worker for a position.

With the intent of this injury program being to minimize time away from work and return the healthy employee to active employment as soon as possible, the Joint Labor-Management Health and Safety Committee (Section 2106.70 Provisions for Safety and Health) will also serve as a cost containment committee for Workers' Compensation.

2106.83 Bonus Days

A regular full time employee of the City shall be given Bonus Days provided the employee has earned sick pay benefits in the previous year, in accordance with the Bonus Day Table set forth below:

For the purpose of bonus vacation, unpaid sick days taken will be applied in the same manner as paid sick days.

2106.84 AFSCME Care Plan

The parties agree that the AFSCME Care Plan will consist of the following:

- (1) Life insurance
- (2) Hearing aid
- (3) Vision care II

The cost of this plan shall be borne by the City, provided that the total cost shall not exceed twenty dollars (\$20.00) per employee per month during the life of this agreement.

2106.85 Hospitalization-Prescriptive Drug-Dental Insurance

A) General Provisions: The City shall continue to provide hospital, medical, surgical, major medical, outpatient diagnostic laboratory services, prescription drug, dental care and benefits under the terms and conditions set forth below.

1) Coverage shall be provided to each employee, each employee's spouse and all unmarried dependent members of the employee's family to age twenty-three (23) or as otherwise provided by state or federal law. Spouses who are both employed by the City must jointly elect only one coverage. A new election may occur after an open enrollment due to circumstances such as layoff or other separation of one of the spouses, death, or divorce. Spouses who are both employed that have dependents from prior marriages for whose hospitalization coverage they are responsible shall be exempt from

this joint election requirement.

Where the spouse of a City employee has health care coverage through a different employer, the spouse must enroll in his/her employer's plan. Dependents shall be covered as provided by the "birthday rule". Coordination of Benefits shall be provided so that coverage is extended to the spouse and dependents that is not provided by the other employer's plan. In cases of demonstrated hardship due to excessive co-premiums (i.e. 40% co-premiums or premium payments equaling 30% or more of earnings) special consideration will occur.

2) Coverage shall be provided at the levels existing as of May 31, 1994 except as set forth in paragraphs B) and C) herein.

B) The following health care cost containment procedures shall be effective for all employees enrolled under traditional coverage:

1) Second surgical opinions, pre-admission notification or certification, emergency care limitations, post-admission concurrent review, outpatient surgery, continued treatment and technological review, medical case management, planned discharge, and other procedures as may be established under the medical review programs established by the City shall be followed. Failure to follow the procedures shall result in only eighty percent (80%) coverage for necessary care.

2) Full-time employees covered by another health care program due to marriage or other reasons may waive their City of Toledo coverage and receive twenty-five thousand dollars (\$25,000.00) in additional life insurance coverage. This shall also be extended to those employees whose spouses are also employed by the City.

3) Coverage for nervous and mental treatment is limited as follows. Inpatient care shall be maintained at a maximum of thirty-one (31) days per calendar year. Outpatient coverage shall be expanded to a maximum of twenty-two (22) visits per year at fifty percent (50%) co-insurance.

4) Coverage for drug and alcoholism treatment is limited as follows. Inpatient care shall be maintained at a maximum of thirty-one (31) days per calendar year. Coverage is limited to a maximum of twenty-five thousand dollars (\$25,000.00) lifetime benefits for all inpatient and outpatient care. Inpatient coverage shall be at one hundred percent (100%) for an individual's first admission, seventy-five percent (75%) for a second admission, and fifty percent (50%) for a third admission. No coverage shall be provided beyond three (3) admissions per lifetime or thirty-one (31) days per calendar year. Outpatient coverage shall be expanded to a maximum of two thousand five hundred dollars (\$2,500) per calendar year at fifty percent (50%) co-insurance. Employees using drug and alcoholism treatment benefits must use the City employee assistance program.

5) The panel of providers, and/or Preferred Provider Organization (P.P.O.), selected by the City for managing and providing nervous and mental, drug and alcohol treatment must be utilized. The City will request proposals toward a managed care plan for this purpose with an effective date of June 1, 1999. The Union shall have a seat on the selection committee, but the right of final selection is reserved to the City. The schedule of benefits in effect as of February 9, 1999 shall be maintained, without additional co-pays or deductibles.

C) The following cost sharing plan and cost coverage restrictions shall be effective for all employees:

1) There shall be a five hundred dollar (\$500.00) annual per person maximum on chiropractic care and a one thousand three hundred dollar (\$1,300.00) annual per person maximum on physical therapy, both subject to the major medical deductible (\$100/individual and \$200/family) and co-insurance (80%/20%).

2) Major medical benefits shall be paid to a lifetime maximum of one million dollars (\$1,000,000.00) per person with a one hundred dollar (\$100.00)/individual and two hundred dollar (\$200.00)/family deductible and 80%/20% co-payment; provided that coverage for nervous and mental, drug and alcoholism treatment is limited per paragraphs B)3) and B)4).

3) There shall be a one hundred dollar (\$100.00) co-pay for all emergency room visits, which shall be waived if the individual is admitted or if the visit is between the hours of 8:00 p.m. and 9:00 a.m., or on a Saturday after 12:00 Noon, or on a Sunday.

4) As a condition of continued coverage under the terms of this section, covered employees shall, beginning the first full pay period in July, 2012, be responsible for premium payments in accordance with the following schedule: Single employees receiving coverage under this section shall pay a monthly premium of forty-eight dollars (\$48) per month; a single employee with one (1) dependent shall pay a monthly premium of eighty dollars (\$80) per month; an employee with more than one dependent (e.g. family coverage) shall pay a monthly premium of ninety-two dollars (\$92) per month. Any employee eligible to receive coverage may waive such coverage.

Effective the first full pay period in June, 2013 the monthly premiums will be increased as follows:

Single employees receiving coverage under this section shall pay a monthly premium of seventy-one dollars (\$71) per month; a single employee with one (1) dependent shall pay a monthly premium of one hundred twenty dollars (\$120) per month; an employee with more than one dependent (e.g. family coverage) shall pay a monthly premium of one hundred twenty-nine dollars (\$129) per month.

Effective the first full pay period in June, 2014 the monthly premiums will be increased as follows:

Single employees receiving coverage under this section shall pay a monthly premium of ninety-four dollars (\$94) per month; a single employee with one (1) dependent shall pay a monthly premium of one hundred sixty dollars (\$160) per month; an employee with more than one dependent (e.g. family coverage) shall pay a monthly premium of one hundred sixty

six dollars (\$166) per month.

The co-premium payments will be made by payroll deduction on a pre-tax basis. Spouses who are both employed by the City of Toledo will only pay one co-premium payment based on the level of coverage selected. The "birthday rule" and the spousal exclusion language in Section 2106.85(a) continue to apply to coverage options.

D) Effective June 1, 1994 the availability of a Health Maintenance Organization (HMO) and Preferred Provider Organization (PPO) shall be discontinued. All employees, including those in the Traditional Plan, shall thereafter be enrolled in the Consortium Plan. Consortium Plan coverage and benefits shall be at the Traditional Plan levels as of June 30, 1993 except as otherwise provided here or in the plan document. Consortium Plan Medical Providers shall be restricted to those hospitals, physicians, and other care providers designated in the plan as developed by the City in conjunction with the Cost Containment Committee. It is understood that the City is currently utilizing the hospital and ancillary providers panels through the Frontpath Health Coalition (FHC). It is further understood that the physicians' panel may be implemented without further consultation with the Cost Containment Committee. However, the schedule of benefits shall not be diminished.

E) The Cost Containment Committee shall be formed from among representatives of the various Bargaining Units and representatives of the City and shall be maintained. The Committee shall develop other cost containment measures, which shall include:

- 1) Enhanced managed care, such as pre-certification, concurrent review, and utilization review;
- 2) Changed coverage or benefits, such as increased deductibles, limitations on coverage, and contributions from employees;
- 3) Increased claims control, such as coordination of benefits, subrogation, worker's compensation deferral, patient audits, and claims audits;
- 4) Alternate delivery systems, such as preferred provider organizations for specific benefits and direct provider negotiations; and,
- 5) Development of a participative employee plan by which employees will be encouraged to contain costs, audit bills, correct lifestyles, maintain wellness, and undertake other cost saving measures.

The Committee shall meet regularly, on at least a monthly basis, and attendance shall be required. Actions taken in the absence of a bargaining unit representative shall be binding upon that bargaining unit.

The Committee shall develop annual goals, objectives, and timetables directly aimed at reducing health care costs. Subcommittees may be formed as deemed necessary by the co-chairpersons to study issues, develop reasonable solutions, and report back to the Committee. Goals and objectives not met within established timeframes shall be critically reviewed by the Committee.

If the City, in its sole discretion, is dissatisfied with progress in meeting goals and objectives or with the Committee's action or inaction on 1, 3, 4, and/or 5 measures listed above, the City may take such actions as it deems necessary to exact cost containment. Changes in measure 2 must be by agreement of the parties.

F) The Union releases the City from any obligation to expend monies currently in the healthcare savings fund created pursuant to former paragraph (g) of this Section on future cost increases or for wellness programming. The Union further releases the City from any obligation to consult with the Cost Containment Committee relative to the transfer or expenditure of those funds.

G) Coverage for well baby care, pap tests, and office visits shall be offered to all employees enrolled under conventional coverage as follows:

- 1) well baby care limited to routine examinations and immunizations for an infant until the infant's 1st birthday;
- 2) pap tests as well as office fee will be paid in full once every twelve (12) months;
- 3) office visits for routine wellness services and treatment of illness or injury rendered in the physician's office, including physical examinations and family planning shall be subject to a ten dollar (\$10.00) co-payment, which shall be counted toward the individual's major medical deductible;

Fees that the physician charges for the services under paragraphs (1), (2), and (3) shall be paid on the same basis as other covered services (e.g. usual, customary, and reasonable). Payment for services under Part (g)(1) and (3) will be made for the first one hundred twenty-five dollars (\$125) per single contract or three hundred dollars (\$300) per family per calendar year collectively for well baby care (after the federally specified limits have been met) and for office visits. The ten dollar (\$10.00) office visit co-pay shall not be counted toward the \$125/300 limits. After deductibles are reached, payment shall then be under the major medical plan; provided, however, that the bill shall be reduced by the ten dollar (\$10.00) office visit co-pay before the 80%/20% co-payment formula is applied.

H) The City shall continue to provide a major dental program which provides the following:

Type A Services: Preventative 100%

Type B Services: Major and minor restorative 80%

Type C Services: Orthodontia 60%

Deductible for Type B Services: \$50.00 per person per year; maximum payment of \$1,000.00 per year.

Maximum lifetime benefit for Type C Services for any covered person \$1,000.00; coverage limited to dependent children under age 19.

This program shall continue in effect for the duration of this agreement.

I) The City shall provide a three tier closed formulary prescriptive drug purchase program with a co-payment structure of a six dollar (\$6.00) co-payment for tier 1 (generics) drugs; a fifteen dollar (\$15.00) co-payment for tier 2 (preferred brand name) drugs; and a thirty dollar (\$30.00) co-payment for tier 3 (non-preferred brand name) drugs. This program will include a generic drug substitution option.

1) The City shall select the provider for formulary drug program, who shall group drugs according to determinations made by the provider's therapeutic committee as it deems necessary. The City may select an alternative carrier at its option.

2) The City may implement managed care for the prescriptive drug program. This would allow for an evaluation of the interaction of an individual's different prescriptions on a voluntary basis. Recommendations could then be made to the individual and his/her physician for more effective drug therapy.

J) The coverages herein for dental and prescription drug shall be under either an individual or family contract as may be appropriate. The selection of the insurance carrier to provide the coverages herein is the exclusive right of the City.

K) A reopener over the terms of this section may occur upon ten (10) days notice by the City if the City's percentage rise in medical services costs in the year 2000 is more than seven percent (7%) greater than the industry actuarial trend for Northwest Ohio. The base cost for this purpose will be the average annual full-time equivalent employee cost for medical services for the combined calendar years 1998 and 1999. In calculating the City's percentage rise, claims for an individual that total more than \$25,000 shall be excluded from consideration from both the base cost and the year 2000 cost. If agreement cannot be reached within thirty (30) days after commencement of the reopener, the parties shall select an arbitrator using the selection procedure set forth in Section 2106.18, "Definition and Grievance Procedure". The arbitrator shall conduct a hearing and render a decision following the provisions of the Ohio Public Employee Collective Bargaining Law at Section 4117.14(G), notwithstanding the provisions of 4117.14(D)(1).

In consideration for the right to reopen on this basis during the term of the 1999 Collective Bargaining Agreement, the City shall not exercise its rights under Paragraph (e) above to take such actions as it deems necessary to exact cost containment through measures 1, 3, 4, and/or 5. The existence of this reopener provision, or this clause of that provision, does not prevent the parties from agreeing through the Cost Containment Committee or otherwise to cost containment measures during the term of this agreement.

The parties hereby agree that they will meet, confer and negotiate on the existing provisions of Section 2106.85 when the Frontpath Health Coalition plan expires.

2106.86 Public Employees Retirement System of Ohio

A) The City will continue to participate in the Public Employees Retirement System of Ohio as provided in the Ohio Revised Code.

B) As long as the City participates in a pension "pick-up" plan in accordance with Internal Revenue Service Regulation(s) and Ohio Attorney General Opinion(s) as permitted by law State and Federal Income Taxes on employee pension(s) contribution(s) by all bargaining unit members, may be deferred.

C) Effective with the first full pay period of July 2012, the City will pay five percent (5.0%) of the employee's pension contribution and the employee shall be responsible for the remaining percentage (employee contribution increased from 1.5% to 5.0%). In July of 2012, Local 2058 Communication Operator Supervisor employees receiving a reduction in pension pickup will receive a separate one time lump sum check in the amount of one thousand two hundred fifty dollars (\$1,250). Local 2058 Communication Operator Supervisor employees unaffected by the pension pickup reduction are not eligible to receive the lump sum payment.

D) Effective with the first full pay period of March 2013, the City will pay two percent (2.0%) of the employee's pension contribution and the employee shall be responsible for the remaining percentage (employee contribution increased from 5.0% to 8.0%).

E) Effective with the first full pay period of March 2014, the City will pay zero percent (0%) of the employee's pension contribution and the employee shall be responsible for the remaining percentage (employee contribution increased from 8.0% to 10%).

F) In the event that the employee share of the pension payment increases due to a change in law or regulation during the term of this agreement the employee shall be responsible for paying the entire amount of the increased employee contribution.

G) Employees who are promoted into positions in this bargaining unit and who were hired or reinstated after January 1, 2009, shall be required to pay the entire employee share of their pension and, furthermore, shall not receive the lump sum payments contained in this section.

H) Except for the one time lump sum payment of one thousand two hundred fifty dollars (\$1,250) to affected employees, employees that are eligible to have the City pick up a percentage of their employee share of pension are prohibited from

receiving the payment specified in paragraphs C) through E) directly. The payments will be to employees' individual P.E.R.S. accounts.

l) Effective the first full pay period of March 2014, and pursuant to sub-section (e), the parties agree and understand that the city's pension pick-up referred to in this article will terminate, and the City will no longer implement or participate in any pension pick-up plan.

2106.87 Safety Shoes and Glasses

The City will provide an employee purchase plan whereby authorized employees will be able to purchase personal protective equipment (shoes, glasses) including corrective lenses. The purchase program shall make these items available to the employee at forty percent (40%) of the cost, with the City paying the remaining sixty percent (60%). However, when the City requires the use of safety shoes or special soled shoes, one hundred percent (100%) of the cost shall be borne by the City. The Human Resources Department shall determine which employees will be authorized to purchase equipment through this program.

If and when safety shoes and/or glasses are worn out or damaged while on duty, such employee will turn in to the Department Head or Division Head said worn out or damaged safety shoes and/or glasses, whereas the City representative shall have them replaced, at no cost to the employee (on required safety shoes only).

Except where an employee has served nine full calendar years with the City and has terminated and then returns to the City, such employee shall be entitled to count the prior service for determining eligibility for vacation.

D) An employee should take vacation in the calendar year following the year in which it was earned. In the event an employee is not allowed to schedule his vacation in the year in which it should have been taken, he may request that such unused vacation be carried over to the following year. Such request must be submitted to the Department of Human Resources prior to December 1 of each year. All such carry over vacation must be taken no later than April 30 of the following year.

E) Employees shall be allowed to schedule and take vacations provided herein in accordance with existing Departmental procedures agreed upon between the City and the Union.

F) An employee shall not be allowed to be paid cash in lieu of receiving vacation unless the City for some valid reason has not allowed the employee to take the vacation time to which he is entitled by April 30 of the year following the calendar year in which it should have been taken. In that event, the employee shall be paid for such unused vacation days.

G) An employee may request the advance of five (5) days pay at the time of his vacation. The request must be made to the payroll clerk for the division at least fourteen (14) calendar days prior to the payday on which the check is to be received. C) For all employees observing the regular Monday through Friday work schedule, in the event any of the above holidays fall on Saturday, the City shall celebrate the holiday on Friday, and in the event the holiday shall fall on Sunday, the City shall celebrate the holiday on Monday.

A filial relationship is defined as being one in which the employee bears or assumes a relationship with another individual similar to that of child, offspring, or parent.

F) Relationships within this policy which came into existence solely on account of marriage of an employee shall be considered dissolved on the same day said marriage is dissolved by law or death.

The City shall continue to extend the provisions of the Ohio Unemployment Compensation Law to City employees.

2106.93 Educational Reimbursement

A) The City will reimburse tuition costs and general fees for courses taken at an educationally accredited college or university by full-time permanent employees. Such course work must be approved prior to enrolling by submitting documentation that the course(s) is necessary toward a degree which is required for a position in the City (including electives for that degree). Thereafter, the course work must be approved by the Department Head and finally to the Director of Human Resources. The fact that a specific course is required for a degree major where the degree with such a major exists as a minimum requirement for a higher classification will be relevant.

B) The city will also reimburse for technical courses. Courses must either be directly related to the employees current job or related to another classification career path. G) Any employee participating in the tuition reimbursement program that resigns, retires (non-disability) or is terminated must repay in full the tuition reimbursement paid by the City for courses completed less than two (2) years prior to the date of resignation, retirement, or termination. If necessary, this amount shall be deducted from the employee's severance pay and/or his or her final paycheck. In the event the employee's severance pay and/or final paycheck are insufficient to cover the full tuition reimbursement owed to the City, the employee must make arrangements to repay the amount owed. The City may pursue collection of the amount owed, if necessary.

An employee who resigns or is terminated for cause or performance will lose all rights and benefits under the educational reimbursement refund policy effective on the date of his or her resignation, retirement, or termination.
