

PETITION opposing zoning change for a mining site

Where, Rocky Ridge Development LLC is looking to change the zoning of three parcels of land in Toledo in the area currently zoned single dwelling residential and light industrial. The request is a zone change to general industrial to parcels on Angola Road and South Byrne Road.

Where, in 2016 Rocky Ridge Development LLC applied for a permit to dump the spent lime sludge directly into a quarry pit in Benton Township. Thereafter, the BENTON TOWNSHIP QUARRY DUMPING OPPOSITION was formed and began organizing efforts to obtain more information and to inform more people in the area. In March 2019, Ottawa County Common Pleas Court granted a summary judgment in favor of Benton Township making the temporary injunction permanent.

Where, in December 2020, the Ohio Supreme Court refused to hear the appeal made by Rocky Ridge Development upholding the permanent injunction.

Where, on April 11, 2025 the Toledo City Plan Commission recommended disapproval of the zoning change from single dwelling residential and light industrial to general industrial.

Now therefore, we the undersign agree with the Plan Commission recommendation to disapprove the zoning change.

In March 2019, Ottawa County Common Pleas Court granted a summary judgment in favor of Benton Township making the temporary injunction permanent.

Where, in December 2020, the Ohio Supreme Court refused to hear the appeal made by Rocky Ridge Development upholding the permanent injunction.

Where, on April 11, 2025 the Toledo City Plan Commission recommended disapproval of the zoning change from single dwelling residential and light industrial to general industrial.

Now therefore, we the undersign agree with the Plan Commission recommendation to disapprove the zoning change.

PETITION opposing zoning change for a mining site

Where, Rocky Ridge Development LLC is looking to change the zoning of three parcels of land in Toledo in the area currently zoned single dwelling residential and light industrial. The request is a zone change to general industrial to parcels on Angola Road and South Byrne Road.

Where, in 2016 Rocky Ridge Development LLC applied for a permit to dump the spent lime sludge directly into a quarry pit in Benton Township. Thereafter, the BENTON TOWNSHIP QUARRY DUMPING OPPOSITION was formed and began organizing efforts to obtain more information and to inform more people in the area. In March 2019, Ottawa County Common Pleas Court granted a summary judgment in favor of Benton Township making the temporary injunction permanent.

Where, in December 2020, the Ohio Supreme Court refused to hear the appeal made by Rocky Ridge Development upholding the permanent injunction.

Where, on April 11, 2025 the Toledo City Plan Commission recommended disapproval of the zoning change from single dwelling residential and light industrial to general industrial.

Now therefore, we the undersign agree with the Plan Commission recommendation to disapprove the zoning change.
